

Q3 Are you a resident of the Telluride region?

Answered: 333 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|-------------------------|-----------|------------|
| Yes, Full-time resident | 83.18% | 277 |
| Yes, Part-time resident | 12.91% | 43 |
| Visitor | 3.90% | 13 |
| TOTAL | | 333 |

Q4 If a resident, where do you reside?

Answered: 331 Skipped: 2

| ANSWER CHOICES | RESPONSES | |
|---|-----------|------------|
| Town of Telluride | 37.46% | 124 |
| Mountain Village | 19.03% | 63 |
| South End (Ophir, Matterhorn, Ames, Trout Lake) | 14.80% | 49 |
| Lawson Hill, Hillside, Aldasoro, etc. | 13.29% | 44 |
| Down Valley | 7.55% | 25 |
| Norwood/West End | 1.51% | 5 |
| Rico | 0.60% | 2 |
| Ridgway/Montrose | 3.63% | 12 |
| Not a resident | 2.11% | 7 |
| TOTAL | | 331 |

Q5 How often do you use the local trails during snow-free months?

Answered: 333 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|-----------------------|-----------|-----|
| Daily | 18.32% | 61 |
| 3-4 times per week | 55.26% | 184 |
| Once a week | 17.12% | 57 |
| A few times per month | 9.31% | 31 |
| TOTAL | | 333 |

Q6 What activity do you most often engage in on the local trails?

Answered: 333 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|-------------------|-----------|-----|
| Walking or hiking | 44.74% | 149 |
| Trail running | 9.01% | 30 |
| Mountain biking | 45.95% | 153 |
| Horseback riding | 0.30% | 1 |
| TOTAL | | 333 |

Q7 How would you rate your ability level for your chosen activity?

Answered: 333 Skipped: 0

| ANSWER CHOICES | RESPONSES |
|----------------|------------|
| Beginner | 0.60% 2 |
| Intermediate | 23.42% 78 |
| Advanced | 48.65% 162 |
| Expert | 27.33% 91 |
| TOTAL | 333 |

Q8 What trails do you use most frequently? (Select up to 4 areas)

Answered: 333 Skipped: 0

| ANSWER CHOICES | RESPONSES |
|---|------------|
| Town of Telluride: Bear Creek, Jud Wiebe | 55.26% 184 |
| Telluride Valley Floor/Bike Path | 48.35% 161 |
| Deep Creek, Eider, Mill creek | 48.35% 161 |
| Mountain Village Bike Park | 7.21% 24 |
| Mountain Village, Prospect, Village Trail, Jurassic | 56.76% 189 |

| 37 | Palmyra Peak | 10/5/2015 11:56 AM |
| 38 | With better signage many could take the trails off Bear Creek and the same for Deep Creek and Sneffles. So many options when out on the trails but no signs to help the hiker. | 10/5/2015 11:06 AM |
| 39 | ophir | 10/4/2015 10:05 PM |
| 40 | I propose a bridge crossing to E side of Bear Creek and access to trails on lower Ballard | 10/2/2015 9:27 PM |
| 41 | Owl Creek/Wild Wiebe | 10/2/2015 10:39 AM |
| 42 | Clay Way, La Junta, Super Way | 10/2/2015 9:47 AM |
| 43 | I would like to see the current Howard Fork Valley hiking & mountain biking trails actively being built to comply with the USFS rules and procedures. I would like to ride and encourage others to ride these trails legally. Great trails! | 9/30/2015 10:16 PM |
| 44 | I'm not sure I know enough about the trails I don't use to mention improvements. The south side of the keystone gorge could use some improvement to existing trail. | 9/30/2015 2:43 PM |
| 45 | Top of lift 10 area | 9/29/2015 2:19 PM |
| 46 | To base of Braivalveil Falls from Idarado - along river | 9/27/2015 1:50 PM |
| 47 | Sheridan trail- please provide signage | 9/25/2015 1:25 PM |
| 48 | Trail 200 to become passable | 9/24/2015 10:09 PM |
| 49 | Bridge on trail to Bilk Basin. Work on downed trees on Alder Creek Trail by North peak. | 9/24/2015 4:19 PM |
| 50 | Prospect (The recent work done on Papa Smurf is great, but the next few miles of downhill after that are in bad shape!) | 9/23/2015 10:59 PM |
| 51 | South side rim trail from airport road to Jud Wiebe (incorporating Rudy's) | 9/23/2015 10:07 PM |
| 52 | Maintain for winter hiking | 9/23/2015 6:00 PM |
| 53 | i would like to see dogs allowed on the valley floor on a leash | 9/23/2015 2:07 PM |
| 54 | R/R grade and Social Trail from Vance Jct to Deep Creek Hwy Maintenance Yard. | 9/23/2015 1:10 PM |

| | | |
|----|---|--------------------|
| 55 | Crossing at Bilk Creek. Exposed cliffs along Galloping Goose (above camp) make it unsafe for some riders. | 9/23/2015 12:09 PM |
| 56 | Replace bridge on Bilk Creek Trail | 9/23/2015 12:03 PM |
| 57 | Our hiking trails seem fine. Our biking trails are somewhat in the dark ages. They are rough in and in dire need of smoothing out. Prospect Trail should be our flagship mountain biking trail, doable for second homeowners and tourists, but, it is rough. It needs at least one bridge and significant trail work. I have asked Bill de Alva 728-3670 to apply to TMVOA for a grant to obtain permits and oversee improvement to this trail as well as Jurassic to Meadows. Bill has recently helped me with a minor MB trail issue, so he seemed the right man to spearhead this. Bill helps the Nordic association with permitting and trails. Telluride's MB trails pale in comparison to other resorts such as Park City and Crested Butte, both of which have solid trail organizations creating and maintaining these amenities. | 9/23/2015 11:15 AM |
| 58 | I'm mostly in support of adding new trails. We have so much terrain with relatively few trails. | 9/23/2015 9:17 AM |
| 59 | Most trails are fine. What I see is that when trails are improved more people end up on trails and make them worse in one season than they were before improvement. | 9/23/2015 8:40 AM |
| 60 | ophir area | 9/23/2015 8:16 AM |
| 61 | input is about signage | 9/23/2015 6:44 AM |
| 62 | I would just like to see new trails. | 9/22/2015 3:13 PM |
| 63 | Legalize biking the highline trail | 9/22/2015 10:18 AM |
| 64 | Very important! A new trail built to Bridalveil Falls along the river, so people don't have to walk the road! | 9/22/2015 9:00 AM |

Q12 If you are in support of new trails, what type of trails would you like to see built?

Answered: 316 Skipped: 17

| ANSWER CHOICES | RESPONSES | |
|--|-----------|------------|
| Designated mountain bike trails | 23.10% | 73 |
| Multi-use trails that accommodate bikes | 54.11% | 171 |
| Single-use hiking trails | 18.04% | 57 |
| I am not in support of building new trails | 4.75% | 15 |
| TOTAL | | 316 |

Q13 Although no new trails are currently being proposed or planned, if you are in favor of new trails, what specific trail projects would you support? (Select up to 4)

Answered: 324 Skipped: 9

| ANSWER CHOICES | RESPONSES |
|--|------------|
| A perimeter trail encircling the Telluride valley and box canyon | 53.09% 172 |

| | | |
|--|--------|-----|
| More trails on the ski resort towards Prospect Basin | 50.93% | 165 |
| Telluride to the top of the gondola which allows uphill bike traffic and two-way hiking, and separate route for bikes to descend back to Telluride | 46.60% | 151 |
| Bridal Veil Hiking Trail (from bottom of Bridal Veil Road up creek to bottom of Bridal Veil Falls) | 38.89% | 126 |
| Multi-use advanced high route connecting the towns of Telluride, Rico, Silverton, Ouray and Ridgway | 34.88% | 113 |
| More multi-use trails in the Alta Lakes/Turkey Creek Mesa Area | 29.01% | 94 |
| Improvement and completion of down valley river trail | 28.70% | 93 |
| Traverse trail from T35 trail to the Galloping Goose trail | 24.07% | 78 |
| More connecting trails on Deep Creek Mesa/Telluride area | 23.15% | 75 |
| Purpose built trail from the top of Last Dollar pass to the Sawpit area | 18.21% | 59 |
| More multi-use trails surrounding Mountain Village Core | 16.36% | 53 |
| Bike trail route from the big rock up Bear Creek Trail to Telluride Town Park | 13.89% | 45 |
| Bike park trails | 9.88% | 32 |
| Trails in Norwood and the West End | 9.57% | 31 |

| Total Respondents: 324 | | |

| # | WHAT ARE YOUR NEW TRAIL IDEAS? | DATE |
|----|--|---------------------|
| 1 | Sweet single trail connecting prospect-prospect bowl-alta- | 11/18/2015 8:52 PM |
| 2 | All of the above new trail ideas sound awesome! Prioritizing is hard because they'd all be great. | 11/18/2015 2:33 PM |
| 3 | a perimeter trail connecting ophir to trout lake and ophir to alta lakes | 11/13/2015 5:46 PM |
| 4 | I am in favor of many new connector trails. | 11/12/2015 3:05 PM |
| 5 | Bike specific flow trails | 11/5/2015 6:59 PM |
| 6 | More bike trails on Wright's Mesa | 10/29/2015 9:28 PM |
| 7 | Maybe they already exist, but some not-too-long connecting trails north and west of Clay Way (Owl Gulch) would be very cool - that is some beautiful hiking country | 10/29/2015 5:39 PM |
| 8 | See note above! A system of trails that connects the surrounding communities (Rico, San Bernardo, Ophir, Down Valley, Norwood, Ridgway, etc) to each other and Telluride would be totally over the top great! And make this area very attractive to tourists seeking that kind of experience, to be able to hike/ride to all these different places. | 10/29/2015 12:52 PM |
| 9 | How about improving single track trails on Valley Floor to give the tourists something to ride and keep them off of our more challenging single track trails. | 10/28/2015 6:26 PM |
| 10 | Pandora drainage trails | 10/28/2015 5:03 PM |
| 11 | There is a new trail from Bear creek rock to town park. We are working on the permit with the one section that is national forest. | 10/27/2015 9:23 PM |
| 12 | Frontside trail that are true intermediate multi-use, other than the service road under the gondola. | 10/26/2015 9:10 PM |
| 13 | I would like to see a traverse connector trail from new Eider to the intersection of Deep Creek & Mill Creek. I would also like to see a trail that extends the trail that traverses the Gold Hill chutes and climbs up prospect basin and eventually traverses to just below prospect the top of prospect lift. I would also like to see "formal" trail start near the bottom of prospect trail that descends the drainage down to mtn village blvd and then winds through lower mtn village to connect to the meadows trail. | 10/26/2015 7:27 PM |
| 14 | Similar to Breckenridge focus on the opposing side to the ski area. | 10/26/2015 4:56 PM |

| | | |
|----|--|---------------------|
| 15 | See above | 10/23/2015 3:00 AM |
| 16 | build stairway from keystone gorge overlook highway parking area down to the trail itself | 10/23/2015 12:56 AM |
| 17 | intermediate level trails on the ski/USFS area above MV could highlight for summer tourist how diverse and rewarding short hikes can be in that area (including a trail to such attractions as the old Stamper Mill ruins along prospect creek | 10/22/2015 11:45 AM |
| 18 | Trails that connect into/thru mountain village that connect into extended day or overnight hikes | 10/21/2015 4:27 PM |
| 19 | More Alta Lakes area?? | 10/21/2015 2:23 PM |
| 20 | starting at oak st or bottom of lift #7 to top of gondola | 10/16/2015 6:39 AM |
| 21 | starting at oak st or bottom of lift #7 to top of gondola | 10/16/2015 6:38 AM |
| 22 | more trails in the Lawson Hill area | 10/15/2015 10:47 AM |
| 23 | Beary Cobbler | 10/15/2015 10:00 AM |
| 24 | More trails that are less extreme similar to trails in Crested Butte. | 10/15/2015 9:14 AM |
| 25 | A gradual hiking/biking traversing grade from town park to some upper aspect of Telluride Trail..as a new route to mountain village | 10/14/2015 8:53 PM |
| 26 | We could use a few more options around town that aren't straight up and down | 10/14/2015 8:20 AM |
| 27 | Separate bike trails on the Valley Floor might be needed, the conflict level is critical. Otherwhere's Mountain Bikers need to learn to be polite. | 10/9/2015 2:53 PM |
| 28 | more advanced intermediate cross country trails for biking and hiking anywhere from town (though the last dollar sounds cool) | 10/7/2015 7:25 PM |
| 29 | More trails on the valley floor with some hiking/biking separation and/or a designated beginner mountain bike trail for tourists. | 10/7/2015 1:16 PM |
| 30 | It's difficult mtn biking living in our beautiful steep mountains. I really like what Crested Butte has done, offering single track biking for moderate bikers. Don't know where we can do that. | 10/7/2015 9:19 AM |
| 31 | multi use , yet designed with mountain biking foremost in mind . | 10/6/2015 11:03 PM |
| 32 | All of the above ideas should be implemented!!! | 10/6/2015 9:06 PM |
| 33 | More beginner trails for visitors and kids paralleling existing jurassic, prospect, village trails. | 10/6/2015 7:15 PM |
| 34 | Alta an offical trail. More up airport road... | 10/6/2015 6:28 PM |
| 35 | If I could choose all of the new trail options I would. ANY NEW TRAILS ACCEPT FOR BIKE PARK would be great. | 10/6/2015 5:42 PM |
| 36 | Perimeter trail in the Ophir Valley beginning and ending at the Ophir Loop | 10/6/2015 3:01 PM |
| 37 | I think there should be a new bike/other use trail in prospect basin coming off gold hill, starting lift 4 and ten connect to prospect | 10/6/2015 2:26 PM |
| 38 | A easier single track around town and the mountain, similar to boggy draw | 10/6/2015 2:12 PM |
| 39 | A real pump track. http://www.velosolutions.ch/pumptracks/pumptrack-pontresina/ | 10/6/2015 1:48 PM |
| 40 | Beginner trail on VF that teaches bike handling skills. Berms, and such | 10/6/2015 12:14 PM |
| 41 | The Priest lake / Matterhorn area nordic trails should become mountain bike / hiking trails in the summer - why not? | 10/5/2015 12:44 PM |
| 42 | Similar to the Gold Hill Stairs, perhaps allow for more firm footing while attempting to summit Palmyra Peak | 10/5/2015 11:56 AM |
| 43 | Signage for all the trails off Bridal Veil, Deep Creek and Bear Creek | 10/5/2015 11:06 AM |
| 44 | The high route sounds awesome, it would allow non-jeep road travel in the high country. | 10/4/2015 10:05 PM |
| 45 | Renovate old path from bear creek base to dark side ferata and under the falls wall to bridalveil | 10/3/2015 7:13 AM |
| 46 | Bridge and access to E side of Bear Creek. Wow, many of these on the list are great ideas! | 10/2/2015 9:27 PM |
| 47 | Silver Lake to Ballard Summit, to make loop with La Junta peak and Bridal Veil Basin. | 10/2/2015 4:00 PM |
| 48 | Down hill mt bike trails from gondola to town | 10/2/2015 2:10 PM |

| | | |
|----|--|--------------------|
| 49 | Reroute of the "rutted forest" section of Eider Creek to top, | 10/2/2015 1:12 PM |
| 50 | separation of bike & foot traffic on the Valley floor, separation of skier & bike/foot traffic on winter ski trails & connectors to/among existing trails, | 10/2/2015 8:59 AM |
| 51 | Possible paved bike paths on the ski resort towards prospect basin. | 10/1/2015 2:35 PM |
| 52 | Legall! Legall! Legall! I believe for all user groups to endure longevity within the USFS system, prior to actions, proper proposals of ideas & plans should first be presented to the USFS. | 9/30/2015 10:16 PM |
| 53 | I think there's a ton of potential for the chair 10 area of the ski mountain. its probably the most bike-friendly terrain and is easy enough to get to. If i rode prospect to the top of 10 then had 15 choices to either continue my ride into prospect basin or cruise down to the core i'd be pumped. | 9/29/2015 2:19 PM |
| 54 | I like the perimeter trail idea that would connect the north side trails to Bridal Veil Basin and the south side. | 9/29/2015 10:22 AM |
| 55 | Connectors between existing trails, high-country ridgeline trails, but keep it on the rougher, not manicured, feel. Along with improved signage and free printed maps. | 9/26/2015 6:29 PM |
| 56 | Maintain present trails with user friendly signage | 9/24/2015 10:09 PM |
| 57 | I would love to see a link from Marshall basin to the High Line Trail | 9/24/2015 4:19 PM |
| 58 | Trail connection from galloping goose to ilium bouldering area | 9/24/2015 4:00 PM |
| 59 | https://drive.google.com/open?id=0B8zpTAJMEAsGc2IWT3kxUEJLMjg https://youtu.be/aaqEnVROL1Fk for starters... | 9/23/2015 10:07 PM |
| 60 | Aames to sunshine mesa via old horse trail above cliffs. circuit east san bernardo to pond below base camp, then all the way to Ophir on south side of valley to W trail. new circuits around lizard Head Pass linking lower east fork trail and Stock trail on west side of highway. | 9/23/2015 9:15 PM |
| 61 | Groomed winter hiking trails | 9/23/2015 6:00 PM |
| 62 | Even though I am an advanced level hiker, I think Telluride/Mtn Village should offer a few more easier trails other than Bear Creek and Jud Wiebe for out of town visitors that aren't acclimated | 9/23/2015 4:58 PM |
| 63 | Any mountain bike expansion. | 9/23/2015 12:43 PM |
| 64 | interconnecting trails across the ski area | 9/23/2015 12:35 PM |
| 65 | I think we have a good start, and to me the most important task at hand is smoothing out and improving what we have. Certainly our mountain biking trails need to connect better. | 9/23/2015 11:15 AM |
| 66 | Expand the basin trail and create alternative routes through prospect basin. | 9/23/2015 9:54 AM |
| 67 | I think we need to support all areas of use, mountain biking, and hiking, OHV - motorcycles, I generally don't support horses on these trails. | 9/23/2015 9:17 AM |
| 68 | Better signage at intersections | 9/22/2015 10:45 PM |
| 69 | A perimeter trail encircling prospect basin with connectors to Alta Lakes & Bear Creek | 9/22/2015 10:09 PM |
| 70 | Down valley bike trail!!! I would bike commute! | 9/22/2015 3:59 PM |
| 71 | New trails in Aldasoro area, more trail like village trail, more trail off of deep creek/ Eider Creek, Flow trails. | 9/22/2015 3:13 PM |
| 72 | Single-track loop around Mt Sneffels!!!!!!!!!!!!!! | 9/22/2015 2:52 PM |
| 73 | More Norwood and San Miguel Canyon trails | 9/22/2015 12:46 PM |
| 74 | Work with Aldasoro to legalize Rudi's and allow public on the upper trail that connects filing 3 & 1. | 9/22/2015 11:24 AM |
| 75 | big loop from top of chair 5 circling entire prospect basin | 9/22/2015 10:12 AM |
| 76 | Trails up Bridal Veil to the Wasatch and Blue Lake. Clear the debris off of Oscars/Blitz so people can more easily get down to the Ophir Rd. Trails in Magic Meadows. | 9/22/2015 9:53 AM |
| 77 | officially connecting and extending the river road trail to Sawpit, Down Valley Park & Placerville. | 9/22/2015 9:42 AM |
| 78 | Cleaning up portions of prospect trail for water navigation. | 9/22/2015 9:41 AM |

Q14 How do you feel about current trail signage?

Answered: 330 Skipped: 3

| ANSWER CHOICES | RESPONSES | |
|---|-----------|------------|
| What signs? | 24.55% | 81 |
| Current signage is adequate | 33.03% | 109 |
| We need to add a few more in some key locations | 42.42% | 140 |
| TOTAL | | 330 |

| # | IF WE NEED TO IMPROVE IN SIGNAGE, WHERE: | DATE |
|----|--|---------------------|
| 1 | Prospect, alta lakes | 1/9/2016 10:21 AM |
| 2 | Whipple mt. Eider Creek, owl Gulch | 11/27/2015 5:39 PM |
| 3 | Maybe in town toward trailheads | 11/18/2015 4:01 PM |
| 4 | Mixed use trails, to inform/remind cyclists that they do NOT have right of way. | 11/18/2015 3:02 PM |
| 5 | hope lake to south mineral- wasatch to blix | 11/13/2015 5:46 PM |
| 6 | Prospect intersections with Boomerang road and San Joaquin | 11/10/2015 8:43 PM |
| 7 | alta | 11/5/2015 6:59 PM |
| 8 | Just about everywhere | 11/1/2015 7:41 PM |
| 9 | Keep unsigned trails unsigned so locals aren't overrun by tourists - Bear Creek in the summer is NO FUN | 10/29/2015 5:39 PM |
| 10 | At trail intersections and trailheads and within town showing how to get to different trails (I know there are some already) | 10/29/2015 12:52 PM |
| 11 | Alta Lakes | 10/29/2015 10:59 AM |
| 12 | the galloping goose from the top of lizard head through the matterhorn area is impossible unless you live here and know it. | 10/28/2015 6:26 PM |
| 13 | down valley park trails | 10/28/2015 4:54 PM |
| 14 | Alta lakes | 10/28/2015 4:00 PM |
| 15 | Everywhere, especially the high country | 10/28/2015 3:24 PM |
| 16 | Alta | 10/27/2015 2:34 AM |

Telluride Regional Trails System Vision Survey

SurveyMonkey

| | | |
|----|---|---------------------|
| 17 | Better Valley Floor, Galloping Goose signage, these are popular tourist trails. | 10/26/2015 9:10 PM |
| 18 | Ballard area particularly | 10/26/2015 6:13 PM |
| 19 | Bridal Veil Basin, Sneffels Highline, | 10/26/2015 4:56 PM |
| 20 | alta/t35; eider creek vs mill creek; | 10/26/2015 11:32 AM |
| 21 | Ballad trail | 10/23/2015 9:27 PM |
| 22 | Prospect to Alta Lakes and on down | 10/22/2015 1:37 PM |
| 23 | Oak St. and Tomboy/ Imogene/Bridal Veil/ | 10/22/2015 12:29 PM |
| 24 | maybe a better online source for smartphones with details that can be accessed virtually as opposed to signage that needs maintaining/updated physically | 10/22/2015 11:45 AM |
| 25 | Trails could be better marked | 10/21/2015 5:32 PM |
| 26 | Maps. you are here! Look at the Moab system for examples | 10/21/2015 4:22 PM |
| 27 | Prospect from the T-Pee to the market? | 10/21/2015 2:23 PM |
| 28 | More markers at trailhead a and en route | 10/21/2015 1:39 PM |
| 29 | Ideally, all intersections would be clearly marked with consistent trail names, directional indicators and mileage | 10/19/2015 3:33 PM |
| 30 | deer tail | 10/19/2015 2:02 PM |
| 31 | most places | 10/17/2015 2:24 PM |
| 32 | ballard | 10/15/2015 6:02 PM |
| 33 | Alta lakes | 10/15/2015 10:48 AM |
| 34 | Everywhere | 10/14/2015 8:53 PM |
| 35 | Sneffels high line/deep cr | 10/14/2015 8:46 PM |
| 36 | sheridan crosscut | 10/14/2015 11:19 AM |
| 37 | No need! | 10/14/2015 8:20 AM |
| 38 | Small signs at junctions or when crossing dirt roads to confirm your on the right trail. | 10/13/2015 2:36 PM |
| 39 | Prospect/Alta/T35. I've come across lots of lost bikers there! | 10/13/2015 12:23 PM |
| 40 | current signage and guidebooks possibly excessive - encountering many lost visitors | 10/12/2015 11:53 PM |
| 41 | Just at key points in general. | 10/12/2015 8:45 AM |
| 42 | galloping goose,between lizard head and illium, just past san bernardo, the trail spit us out onto the 145. We were biking,not that fast, but must of missed signage to avoid dangerous 's' curves and semi truck traffic of mountain biking on the highway. Point being, riding on the 145, looking for some unmarked underpass to get back on the trail,(while avoiding traffic) I crashed into a camp green reflector post.Kinda ruined my season as my body is broken. Yes it is my doing, however , had the trail been marked properly, I would not have been put in a dangerous situation of no shoulder highway mountain biking. please check into this. thanks. | 10/11/2015 5:55 PM |
| 43 | Everywhere!!! | 10/11/2015 3:04 PM |
| 44 | Alta lakes trails | 10/8/2015 8:31 AM |
| 45 | Alta,Alta-Prospect | 10/8/2015 7:48 AM |
| 46 | Alta Lakes | 10/8/2015 6:44 AM |
| 47 | Valley floor, Goose, | 10/8/2015 5:25 AM |
| 48 | Everywhere esp along prospect and to Alta also from there to t35 | 10/8/2015 4:13 AM |
| 49 | everywhere | 10/7/2015 7:25 PM |
| 50 | Keep it informative but minimal. | 10/7/2015 1:18 PM |
| 51 | Bridal veil /Blue Lake/Silver Lake area especially or anywhere tourist traffic is really high. | 10/7/2015 1:16 PM |

| | | |
|----|---|--------------------|
| 52 | Even though signage is minimal on some trails, it fosters route finding skills and more a wilderness experience when riding. | 10/7/2015 9:48 AM |
| 53 | hmmm ? | 10/6/2015 11:03 PM |
| 54 | The Wasatch loop | 10/6/2015 10:51 PM |
| 55 | On all the current trails | 10/6/2015 9:40 PM |
| 56 | Alta lakes can be confusing to newcomers due to lack of signage | 10/6/2015 9:22 PM |
| 57 | All intersections with maps and " you are here" postings! | 10/6/2015 9:06 PM |
| 58 | prospect to T35 | 10/6/2015 8:10 PM |
| 59 | Lawson valley floor, upper boomerang. | 10/6/2015 7:15 PM |
| 60 | Prospect by bridge 11 | 10/6/2015 6:28 PM |
| 61 | Starting in town and radiating out so them tourists don't get turned around and all. | 10/6/2015 5:42 PM |
| 62 | high alpine trails | 10/6/2015 5:37 PM |
| 63 | Alta Lakes!! | 10/6/2015 5:21 PM |
| 64 | Jud Weibe/Deep Creek/Sneffels Highline | 10/6/2015 5:02 PM |
| 65 | If you don't know where you're going, Prospect can be confusing, especially yurt to fire rd to downhill section if you don't do the loop, also when you get out and have to bike uphill | 10/6/2015 4:34 PM |
| 66 | Alta | 10/6/2015 4:22 PM |
| 67 | Highline, Bridal Veil | 10/6/2015 3:46 PM |
| 68 | on all trails. needs to be easy to navigate | 10/6/2015 3:43 PM |
| 69 | Alta, | 10/6/2015 3:07 PM |
| 70 | I only note Ballard trail as having little or no signage, but i am sure there are others. | 10/6/2015 2:26 PM |
| 71 | Prospect in several places | 10/6/2015 2:12 PM |
| 72 | Alta Lakes | 10/6/2015 2:04 PM |
| 73 | Wasatch loop- bear creek to bridal veil. Blue lake above bridal veil. include distances??? | 10/6/2015 2:02 PM |
| 74 | Prospect to Alta | 10/6/2015 1:48 PM |
| 75 | Leaving prospect to Alta. Everywhere in Alta. | 10/6/2015 12:14 PM |
| 76 | I'll have t think about this... | 10/6/2015 9:08 AM |
| 77 | Alta | 10/6/2015 9:07 AM |
| 78 | Everywhere. All non gondola serviced trails in the telluride area. | 10/5/2015 8:34 PM |
| 79 | Whipple Mountain | 10/5/2015 5:05 PM |
| 80 | Webie / Highline intersection, many people go the wrong way here, there was a SAR call because of this two weeks ago | 10/5/2015 3:44 PM |
| 81 | upper mtn trails such as silverlake, wastch | 10/5/2015 1:40 PM |
| 82 | Signage for all the connecting trails from the main such as Bridal Veil, sneffles and Bear Creekj | 10/5/2015 11:06 AM |
| 83 | deep creek needs signs badly in the whipple area. Ophir needs them too. | 10/4/2015 10:05 PM |
| 84 | ski area to alta lakes to t-35 | 10/4/2015 3:35 PM |
| 85 | Prospect trail | 10/3/2015 9:39 AM |
| 86 | Not sure where to begin. | 10/2/2015 4:00 PM |
| 87 | Everywhere | 10/2/2015 3:35 PM |
| 88 | Upper bridal veil Wasatch trail/la junta basin | 10/2/2015 2:22 PM |
| 89 | Where appropriate | 10/2/2015 2:10 PM |
| 90 | Deep Creek side, Prospect / Alta Lakes sections | 10/2/2015 1:12 PM |

| | | |
|-----|--|--------------------|
| 91 | All intersections | 10/2/2015 10:57 AM |
| 92 | Most trails need more signage, especially where there is high use by non-locals (wiebe/bear creek/valley floor) | 10/2/2015 8:59 AM |
| 93 | Going towards Silver Lake & Lewis Mine. | 10/1/2015 2:35 PM |
| 94 | Everywhere. | 10/1/2015 11:54 AM |
| 95 | Maybe the non-motorized user groups should look to the systems in place by the motorized user groups. Signs! That should be a rather basic procedure. Curious as to why the non-motorized group can't figure out signage? Maybe non-motorized groups should look into "sticker program" in order to fund a signage & information program for the many users ill informed! Look STAY THE TRAIL! | 9/30/2015 10:16 PM |
| 96 | One update I see, in the keystone gorge the trail sign is confusing. Have a star saying "you are here now" for the first time hikers, I have had to help folks. | 9/30/2015 2:43 PM |
| 97 | Trails, like Jud Wiebe, that are bike free (from Waterline to Tomboy side) | 9/30/2015 11:31 AM |
| 98 | there are very few signs | 9/29/2015 6:29 PM |
| 99 | When prospect hits the ski run before you connect on the road, you need to ride uphill about 100yds after a T intersection before there's a sign letting you know you went the right way. | 9/29/2015 2:19 PM |
| 100 | Prospect, especially toward the end when you come out on the ski run and need to turn right/up to the dirt road. There, and the rest of Prospect beyond that point. | 9/27/2015 10:00 PM |
| 101 | Various off Bear Creek trail, Contention, La Junta Basin | 9/27/2015 1:50 PM |
| 102 | At every trail junction, not just trail head. | 9/26/2015 6:29 PM |
| 103 | Alta Lakes | 9/26/2015 7:40 AM |
| 104 | Most Village connections back to town | 9/25/2015 8:47 PM |
| 105 | Sheridan Trail- don't know where it is/lack of signage | 9/25/2015 1:25 PM |
| 106 | Good signage or brochures to show TH parking and distances for hike | 9/24/2015 10:09 PM |
| 107 | T35/Alta area I find very confusing. Perhaps more signs that show that bikes are allowed (Deep Creek, ie) | 9/24/2015 1:54 PM |
| 108 | Sheridan Cross Cut | 9/24/2015 1:52 PM |
| 109 | visitors are constantly asking for directions - use a number system like in Europe | 9/24/2015 8:44 AM |
| 110 | high country signage should be limited and basic | 9/24/2015 6:17 AM |
| 111 | Signs directing people from the Village Core towards Jurassic and Meadows are terrible. Most people see the sign for the Meadows ski run and end up on the driving range. People are also always lost on Prospect Trail after top of Lift 10 | 9/23/2015 10:59 PM |
| 112 | Need to begin with an integrated trail plan | 9/23/2015 10:07 PM |
| 113 | Judd Wiebe | 9/23/2015 10:01 PM |
| 114 | alta, prospect areas. signage could improve in most areas. Generally not there or not clear | 9/23/2015 9:57 PM |
| 115 | Improved signage on more difficult hikes. I got lost on Ballard last week... | 9/23/2015 4:58 PM |
| 116 | Deep Creek/Eider/Weibe connections | 9/23/2015 1:08 PM |
| 117 | Wilson Mesa Trail, Trailheads off of Silver Pick Road | 9/23/2015 12:09 PM |
| 118 | Consistently remove all obtrusive / graffiti rock stacks (aka "cairns"), especially on Bear Creek | 9/23/2015 11:37 AM |
| 119 | everywhere, with uniformity | 9/23/2015 11:19 AM |
| 120 | Prospect, Jurassic, Meadows. A big problem is how they stop and start along the way. They need to flow better. | 9/23/2015 11:15 AM |
| 121 | Everywhere, there are no signs... | 9/23/2015 9:54 AM |
| 122 | Sneffels highline | 9/23/2015 9:23 AM |

| | | |
|-----|--|--------------------|
| 123 | I like small non obtrusive map posts. especially when you are away from town, Immediate area signage is adequate | 9/23/2015 9:17 AM |
| 124 | tell people to buy map and compass. | 9/23/2015 8:40 AM |
| 125 | Can't say | 9/23/2015 7:09 AM |
| 126 | strongly recommend addition of Emergency Location Marker (ELM) system that has begun in other states and is spreading nationwide. It uses the nation's interoperable coordinate system. See article: http://www.twoharborsmn.com/news/lake-county/3836985-lake-county-serves-model-standardized-emergency-location-signs | 9/23/2015 6:44 AM |
| 127 | Sign posts above timberline | 9/22/2015 10:45 PM |
| 128 | Silver Lake, Ballard, La Junta, etc! | 9/22/2015 8:38 PM |
| 129 | Alta lakes | 9/22/2015 3:13 PM |
| 130 | Tempted to have answered "what signs" as they are sparse. Could use better signs at many intersections, and area maps with a 'You are here' notation at trail intersection! | 9/22/2015 2:52 PM |
| 131 | I've bushwacked to Sunshine Mt from Ilium a few times. Whipple Mt, upper deep creek | 9/22/2015 2:21 PM |
| 132 | Most locations. We all know where the trails go, but visitors don't. | 9/22/2015 12:46 PM |
| 133 | From lizard head down to sunshine Mesa | 9/22/2015 10:18 AM |
| 134 | alta | 9/22/2015 10:12 AM |
| 135 | Mill Creek, liberty bell, Sheridan crosscut | 9/22/2015 10:04 AM |
| 136 | Alta lakes | 9/22/2015 10:02 AM |
| 137 | Key intersections. Have the signs with a map so users have an idea of where they are at. Something similar to the Trails 2000. | 9/22/2015 9:53 AM |
| 138 | Sheridan Cross Cut, Wasatch | 9/22/2015 9:41 AM |
| 139 | high country; Ballard early section | 9/22/2015 9:36 AM |
| 140 | Sneffels Highline, Silver Lake | 9/22/2015 9:31 AM |
| 141 | Bridal Veil Basin trails | 9/22/2015 9:31 AM |

Q15 If you are in support of new trails, what level of challenge do you seek?

Answered: 311 Skipped: 22

| ANSWER CHOICES | RESPONSES | |
|---|-----------|------------|
| Low challenge (small hills, smooth tread) | 4.50% | 14 |
| Medium challenge (some hills w/ moderate grade, small technical sections) | 59.81% | 186 |
| Advanced challenge (steep sections, technical challenges) | 29.90% | 93 |
| Expert (high, hard, exposed, steep and long) | 5.79% | 18 |
| TOTAL | | 311 |

Q16 Is there easily accessible information for potential trails users about the local trail network?

Answered: 302 Skipped: 31

| ANSWER CHOICES | RESPONSES | |
|----------------|-----------|-----|
| Yes | 55.63% | 168 |
| No | 44.37% | 134 |
| TOTAL | | 302 |

Q17 From your perspective, what level of user conflict occurs on our regional trail system?

Answered: 326 Skipped: 7

| ANSWER CHOICES | RESPONSES |
|---|------------|
| None, we all get along | 27.61% 90 |
| There are a few problem spots, but overall not too bad | 61.66% 201 |
| Bikers and hikers do not mix, we need to have separate trails in most cases | 10.74% 35 |
| TOTAL | 326 |

| # | IF YOU SEE PROBLEM AREAS, WHERE ARE THEY? | DATE |
|----|--|---------------------|
| 1 | valley floor conflict between hikers and bikers | 11/9/2016 10:21 AM |
| 2 | Prospect, Jurassic, Bear Creek | 11/27/2015 5:39 PM |
| 3 | Ski area (mountain village side) River trail in town is much more of a problem--really need signage here. | 11/18/2015 3:02 PM |
| 4 | Rudy's bike trail not being accessible due to private owners position is not ideal. | 11/18/2015 2:33 PM |
| 5 | parking ---- crossing private land instead of finding a proper solution to stay on public lands | 11/13/2015 5:46 PM |
| 6 | River Trail is overgrown, we need to cut vegetation and trees. Basic maintnance | 11/7/2015 11:19 AM |
| 7 | We dont see many problems; however, bikers and hikers want different types of trails, thus, separate | 11/5/2015 6:59 PM |
| 8 | Some bike/hike conflicts with speeding cyclists | 10/29/2015 9:28 PM |
| 9 | ski area trails not good for hikers, mt bikes and horses don't mix well, sneffels highline shouldn't be a bike trail! it's wilderness. | 10/29/2015 8:45 PM |
| 10 | Bikers coming down Bear Creek and Jud Weibe expect hikers to jump off fast, regardless of terrain | 10/29/2015 5:39 PM |
| 11 | The high use trails close to town and mtn village that attract both hikers and bikers- wiebe, mill creek, prospect, jurassic, etc. | 10/29/2015 12:52 PM |
| 12 | west end of jud weibe | 10/29/2015 10:59 AM |

| | | |
|----|--|---------------------|
| 13 | What I'm really bothered by is the guided bike tours that run tourists from top of Lizard head pass down the goose then exit the goose on to the highway at Matterhorn campground. They go along the highway and then back on to the goose past the challenging single track. It is crazy dangerous from the vehicular conflict situation but annoying for us riding these trails when we run into these large groups riding at a very beginner level. If you can't ride them then go ride somewhere else. | 10/28/2015 6:26 PM |
| 14 | jurassic could be one-way going down for bikes | 10/28/2015 4:54 PM |
| 15 | Jed weibe, Bear Creek, River Trail** | 10/28/2015 4:00 PM |
| 16 | River Trail where visitors on foot and bike are going slow and other bikers are going too fast. Some near-collisions at worst and annoyances at best. | 10/28/2015 3:24 PM |
| 17 | Bear Creek | 10/26/2015 9:10 PM |
| 18 | Trails that cross private property | 10/26/2015 7:27 PM |
| 19 | The issues between Town of Telluride, Mountain Village, and Telski. Lack of enthusiasm from Forest Service and our local community. | 10/26/2015 4:56 PM |
| 20 | some private land access issues; some hiker/biker conflict | 10/26/2015 11:32 AM |
| 21 | bikers vs. hikers | 10/23/2015 12:56 AM |
| 22 | jurassic, meadows, river trail, village trail | 10/22/2015 1:37 PM |
| 23 | Valley floor | 10/21/2015 5:32 PM |
| 24 | Hunters ruining the fall hiking season. Need trails that designate no hunting. | 10/21/2015 2:13 PM |
| 25 | maybe some separate trails, but mostly users need to follow a reasonable yield system | 10/16/2015 7:55 PM |
| 26 | jud wiebe and valley floor | 10/16/2015 6:39 AM |
| 27 | jud wiebe and valley floor | 10/16/2015 6:38 AM |
| 28 | Prospect | 10/15/2015 10:56 AM |
| 29 | With the administration of forest service | 10/15/2015 10:48 AM |
| 30 | Some trails are hard to run or keep a dog off the lease and hike with all of the bikers on it | 10/14/2015 10:02 PM |
| 31 | High traffic, multi use trails back to telluride can get extremely jammed up during the busy months with all skills of riders and hikers. Maybe create a new one way bike trail from mtn village back to town, like Jurassic, boomerang, meadows. Trails get jammed with hikers/ bikers of all skill levels especially during busy months. Maybe create a new one way bike trail from mtn village back to town | 10/14/2015 7:30 PM |
| 32 | Mill Creek/Deep Creek - hikers often have to step off trail for mtb riders, causing potential damage & degradation | 10/14/2015 11:04 AM |
| 33 | As trails expand and more people use them to hike, cut the trails in a manner that doesnt cause too many blind corners where bikers and hikers could run into one another w/o seeing until too late. | 10/13/2015 2:36 PM |
| 34 | blind corners on Jurassic with bikes coming down and runners going up | 10/13/2015 12:55 PM |
| 35 | Bikers and hikers. I feel like hikers don't like me even though I'm always really nice. | 10/13/2015 12:23 PM |
| 36 | Bear Creek during winter | 10/12/2015 4:09 PM |
| 37 | Jurassic trail, hard for bikes to see hikers until they are so close because of the curvy nature and they FLY down that trail. | 10/12/2015 8:45 AM |
| 38 | DOG SH*T! | 10/11/2015 5:55 PM |
| 39 | je d weibe, lower | 10/9/2015 10:20 PM |
| 40 | Bikers need to learn to be polite on most trails, signage can go to this. Valley Floor is critical and may need separate trails. | 10/9/2015 2:53 PM |
| 41 | Seems fine to me these days. I'm not out there as much as other. | 10/8/2015 1:30 PM |
| 42 | hikers not being aware a trail is multi use | 10/8/2015 8:31 AM |
| 43 | Prospect Trail, Bikers/hikers. Could use single use trails on the ski area. | 10/8/2015 8:24 AM |

Telluride Regional Trails System Vision Survey

SurveyMonkey

| | | |
|----|--|--------------------|
| 44 | disrespectful bikers-intolerant hikers | 10/8/2015 7:48 AM |
| 45 | Jurassic/meadows | 10/8/2015 5:25 AM |
| 46 | Bikers ripping down Jurassic and meadows. Blind spots.... Hikers. This doesn't mix. | 10/7/2015 6:21 PM |
| 47 | Valley Floor conflicts need to be address. Heavily used for biking and walking. | 10/7/2015 1:18 PM |
| 48 | Bikers on the Highline trail, valley floor single track in spots (difficult to pass etc.) | 10/7/2015 1:16 PM |
| 49 | Two way traffic on various trails. It's just something as a trail user you need to be aware of and always keep on the lookout. | 10/7/2015 10:04 AM |
| 50 | Jud Wiebe can get crowded with hikers and bikers | 10/7/2015 10:02 AM |
| 51 | poor etiquette on the side of the bikers. A bell or voice alerting hikers is considerate. | 10/7/2015 9:19 AM |
| 52 | Prospect | 10/7/2015 6:53 AM |
| 53 | Weibe descent is steep and fast on popular hiking route, good example where two trails need to be created. Jurassic is too popular for bikers/hikers to be safe. Possible separation there as well | 10/7/2015 1:40 AM |
| 54 | skiers/hikers in bear creek | 10/6/2015 11:03 PM |
| 55 | Bikers who do not use lights at night. | 10/6/2015 10:51 PM |
| 56 | Valley Floor can be a bit dangreous to hikers / runners because bikes move fast. | 10/6/2015 10:05 PM |
| 57 | Prospect and jud webe on the west side. | 10/6/2015 9:40 PM |
| 58 | I feel that bikers and hikers want different things from their trails. Hikers don't like bikers speed and noise and bikers don't like hikers ruining their downhill. Bike trail systems benefit from one direction trails. Let's build bike specific trails to make everybody happy. | 10/6/2015 9:22 PM |
| 59 | Trails surrounding the and trails on the ski resort | 10/6/2015 9:06 PM |
| 60 | more diversity, more rolling stuff, more shoulder season options for when the high country is shut down. MORE TRAILS! | 10/6/2015 5:42 PM |
| 61 | Bear Creek and Mill Creek | 10/6/2015 5:37 PM |
| 62 | Bear Creek, Jud Wlebe, BridalVeil Road | 10/6/2015 5:18 PM |
| 63 | Runners/hikers on Village Trail and Prospect, I stick to running on trails that aren't single track with the exception of Meadows (& Jurassic) bc it runs behind my house | 10/6/2015 4:34 PM |
| 64 | Bikes on the Webe | 10/6/2015 3:46 PM |
| 65 | up hill hikers on down hill mountain bike trails. IE Village trail and weibe | 10/6/2015 3:43 PM |
| 66 | Only when individuals cross private lands to access existing trails. | 10/6/2015 3:07 PM |
| 67 | Jud wiebe gets a little busy. Want to make sure us bikers are respectful to hikers | 10/6/2015 2:56 PM |
| 68 | I think its a fairly good scene, I have rarely had a bad encounter hiking or biking | 10/6/2015 2:26 PM |
| 69 | People biking in bear creek and hikers in prospect trail | 10/6/2015 2:12 PM |
| 70 | The East Jude Weibe. Biker leave the waterline, and then descend on the Weibe. The Weibe hiking traffic is insane. | 10/6/2015 12:14 PM |
| 71 | Bikes and hikers on trails originally built for hiking is always a conflict | 10/6/2015 9:25 AM |
| 72 | Ridge trail, Jurassic Trail, Jud Weibe occasionally, | 10/6/2015 9:08 AM |
| 73 | Jud. Valley floor | 10/5/2015 8:34 PM |
| 74 | Prospect Trail from San Sophia | 10/5/2015 5:05 PM |
| 75 | Signage | 10/5/2015 11:06 AM |
| 76 | The greatest potential conflict currently is between mountain bikers and hikers. The problems arise from a minority of bikers who descend trails too rapidly without caution for hikers. | 10/5/2015 8:37 AM |
| 77 | Walkers will always perceive bikers as going too fast. | 10/4/2015 3:35 PM |
| 78 | Bikers erode trails. Bikers need to be restricted from steep areas. Not allowing bikers on Telluride Trail was good decision. | 10/4/2015 10:11 AM |

| | | |
|-----|--|--------------------|
| 79 | Bear Creek is just too overcrowded, an alternative like Bridal Veil trail and E side of Bear Creek | 10/2/2015 9:27 PM |
| 80 | River trail is too narrow in places to have bikes, hikers and dogs. Bikers frequently go too fast descending Bear Creek. | 10/2/2015 4:00 PM |
| 81 | jurassic | 10/2/2015 3:56 PM |
| 82 | Judd, Bear creek, bikes and hikers could be happier apart | 10/2/2015 3:35 PM |
| 83 | Bear creek trail Jurassic prospect. High traffic multi use conflicts between bikers hikers | 10/2/2015 2:22 PM |
| 84 | Jud Webe mainly | 10/2/2015 2:10 PM |
| 85 | No mountain bikes on Highline is problematic. | 10/2/2015 1:12 PM |
| 86 | I also see conflict with foot traffic especially unleashed dogs (and multiple dogs) especially in tight areas and short view sections (I am thinking river trail). Bear Creek is dangerous when there are bikers so is Wiebe. Until there are new or separate trails, perhaps suggested hours of bike v. hikers could be circulated. Winter(fat tire) bikers have been exceptionally disrespectful of the groomed nordic trails on the valley floor, priest lake and trout lake. | 10/2/2015 8:59 AM |
| 87 | Sometimes bikes on Judd Weibe | 10/1/2015 2:35 PM |
| 88 | EGO! Trails being built at will on USFS for "private" or "he/she is cool enough" purposes | 9/30/2015 10:16 PM |
| 89 | Jud Weibe, sometimes Jurassic from the Peaks to Meadows to Lawson Hill. | 9/30/2015 11:31 AM |
| 90 | Downhill Biker vs Hiker. | 9/30/2015 9:27 AM |
| 91 | Biker/hiker traffic on the Wiebe is most commonly experienced by me. | 9/29/2015 10:22 AM |
| 92 | Unleashed/unrestrained dogs on the trail | 9/28/2015 9:49 PM |
| 93 | Where bikers and hikers mix, or prospect basin to Alta should not allow snowmobiles | 9/27/2015 1:50 PM |
| 94 | Maybe just some general education about trail etiquette, especially between bikers and hikers/runners | 9/26/2015 6:29 PM |
| 95 | River trail bikers v hikers | 9/26/2015 7:40 AM |
| 96 | Just post rules of road, bikes need to be aware of blind curves and corners | 9/24/2015 10:09 PM |
| 97 | The river trail from Willow to Boomerang road. Many bikers especailly summer vistors with kids fail to understand that this is a multiuse trail with dogs, toddlers, strollers etc. | 9/24/2015 4:19 PM |
| 98 | Dogs being off leaches, running all over. As a runner, I am not comfortable with dogs approaching me and the owner thinking it is okay. | 9/24/2015 2:51 PM |
| 99 | descending down Jud Wiebe - most current bike terrain is very steep from town which conflicts with hikers/runners | 9/24/2015 1:54 PM |
| 100 | single track bike trails branching out into multi-trail systems | 9/24/2015 11:36 AM |
| 101 | I have stopped using trails with even moderate bikes. Aggressive riders are a threat to myself and my dog. I have no problem sharing trails with safe, polite riders and will happily move for them but way to many are rude and unsafe. I have even seen Xgames wanta bees on the River Trail. These nuts do not mix well with dogs, children, and casual walkers. | 9/24/2015 6:17 AM |
| 102 | Growing popularity of Prospect trail for bikers and hikers combined with steep and narrow sections is a growing challenge. | 9/23/2015 10:07 PM |
| 103 | Highline! should be open to bikes! Ophir, bikes should be allowed anywhere they can stay on the trail. | 9/23/2015 9:15 PM |
| 104 | bikers and hikers are a tough mix | 9/23/2015 6:09 PM |
| 105 | Mtn Village. I mostly hike with my dogs, almost get run over by bikes, but in general we get along | 9/23/2015 4:58 PM |
| 106 | Jurassic trail | 9/23/2015 12:43 PM |
| 107 | Ski area trails - bikers | 9/23/2015 12:03 PM |
| 108 | where motorized access is allowed on single tracks | 9/23/2015 11:37 AM |
| 109 | I think bikers need a bit more education about slowing down when hikers approach | 9/23/2015 11:23 AM |

| | | |
|-----|--|--------------------|
| 110 | I do believe the MB trails should be dedicated for riding - we have many hiking trails, but few MB trails. This may not be possible. | 9/23/2015 11:15 AM |
| 111 | Hiking traffic on Village Trail. Uphill bike traffic on Prospect descent (prob coming in from ski ranches), downhill bike traffic vs uphill hikers on Wiebe after waterline junction to cornet creek, dirtbikes on east fork trail | 9/23/2015 9:54 AM |
| 112 | People clash and over-react all the time. Sometimes people are oblivious and don't understand Right of Ways. I generally don't have issues with other trail users while out and about. | 9/23/2015 9:17 AM |
| 113 | Bikers in Wilderness areas, such as Sneffles Highline basin | 9/23/2015 9:15 AM |
| 114 | I have only had problems with horses and riders. Where it because of them getting mad because there orse got spooked or the amount of shit the horse leave in the trails. | 9/23/2015 8:40 AM |
| 115 | make trail maker system easy to use and understand with least number of digits | 9/23/2015 6:44 AM |
| 116 | n/a | 9/22/2015 10:45 PM |
| 117 | Jud Wiebe downhill from Mill Creek, occasionally on the Waterline trail & Galloping Goose Lawson to Ilium section | 9/22/2015 10:09 PM |
| 118 | Jud webe | 9/22/2015 3:13 PM |
| 119 | Jurassic trail - lots of hikers have headphones or music on and cannot hear bikes coming. | 9/22/2015 1:59 PM |
| 120 | I think skiers and hikers in Bear Creek is the biggest conflict. | 9/22/2015 12:46 PM |
| 121 | There should be more signage on the Prospect trail warning hikers and bikers to look out for eachother. | 9/22/2015 10:38 AM |
| 122 | the weibe | 9/22/2015 9:53 AM |
| 123 | snowmobiles on Trout Lake, Bear Creek with bikers | 9/22/2015 9:41 AM |
| 124 | Bridal Veil Road 4x4 vs. Hikers. Hikers should have more info about alternative routes to avoid cars & dust. Also, hikers should have some guidance about reducing waste. | 9/22/2015 9:31 AM |
| 125 | Bear Creek from Town to the Big Rock, Galloping Goose to Vance Junction | 9/22/2015 9:31 AM |
| 126 | west side of the Weibe. | 9/22/2015 9:00 AM |

Q18 Would you support a new tax initiative to fund building new trails and improving our existing trail network?

Answered: 328 Skipped: 5

| ANSWER CHOICES | RESPONSES | |
|----------------|-----------|-----|
| Yes | 69.51% | 228 |
| No | 30.49% | 100 |
| TOTAL | | 328 |

Q19 Would you be in favor of allocating existing public funds for building new trails and improving our existing trail network?

Answered: 328 Skipped: 5

| ANSWER CHOICES | RESPONSES | |
|----------------|-----------|-----|
| Yes | 95.73% | 314 |
| No | 4.27% | 14 |
| TOTAL | | 328 |

Q20 Would you be willing to help out with improving the Telluride regional trails system?

Answered: 321 Skipped: 12

| ANSWER CHOICES | RESPONSES | |
|------------------------------------|-----------|------------|
| Yes, I would volunteer my time | 53.58% | 172 |
| Yes, I would donate money | 9.97% | 32 |
| Yes, I would donate time and money | 26.48% | 85 |
| Neither | 9.97% | 32 |
| TOTAL | | 321 |

Q21 What would be your top priority for improving the Telluride trails system? (specific trail improvements, signage, better connections?)

Answered: 232 Skipped: 101

| # | RESPONSES | DATE |
|----|--|--------------------|
| 1 | better connects in the Prospect area, more trails that are family friendly in the Mountain Village area, more flowy trails that appeal to a wide variety of rider abilities | 1/9/2016 10:21 AM |
| 2 | All of the above. | 11/27/2015 5:39 PM |
| 3 | More mountain biking designated trails | 11/18/2015 8:52 PM |
| 4 | Anything which will help keep people walking and biking as opposed to using vehicles plus more trails and connections on north side of valley. | 11/18/2015 3:02 PM |
| 5 | The My top priority would be more mountain bike trails built specifically to be fun for mountain biking (i.e. fast flowy, diverse, technical sections etc...) It seems like some of the mesas outside town would provide good terrain for this (less steep, more open tha in the box canyon area). The alta lakes/prospect area also seems to have alot of potential since there are already alot of nice singletrack up there that just needs to be linked up more systematically and signed and maintained. Basically more bike trails in general would be great, especially more designed as bike trails systems (like Ridgway Area Trails (RAT) and Phil's world). However, all of the ideas in the above list would make great trail additions to the area! It was hard to choose! A trail from the top of Last Dollar Pass down into Sawpit sounded intriguing and could be a cool shuttle downhill for mountain bikers. | 11/18/2015 2:33 PM |
| 6 | traversing connector trails at or above treeline | 11/13/2015 5:46 PM |
| 7 | Connector trails, signage, creating and maintaining popular tourist trails. | 11/12/2015 3:05 PM |
| 8 | Working on reroutes and drainage for prospect. We need to take care of and improve the trails we have if we're seriously considering (and we should be) taking on more trail projects in the area. | 11/10/2015 8:43 PM |
| 9 | Solve overgrown issues, control vegetation | 11/7/2015 11:19 AM |
| 10 | Trail down to town from top of gondola or Boomerang Rd. traverse to town, bike friendly (berms, jumps, flow trail) Perimeter trail around Telluride with downhill options | 11/5/2015 6:59 PM |
| 11 | Signage after trailhead for visitors ; -) | 11/1/2015 7:41 PM |
| 12 | I feel like the valley floor trail and the downhill sections of Prospect trail need the most work. Very pitted out and hard to ride after a rain or even a couple days after. | 11/1/2015 7:24 PM |
| 13 | Coronet Creek stabilization. | 10/30/2015 8:55 PM |
| 14 | Better connections | 10/29/2015 9:28 PM |
| 15 | USFS trail crew needs to be bigger and better funded so they can get yearly and deferred maintenance done I worked for them for 10 years and they struggle every year yet we always tried to do as much as we could with limited funding... perhaps we need to start registering our hiking boots and mt bikes so we can get some funding in that direction rather than CPW's focus on motorized tralls, that's where the \$ is right now and so \$ is not coming to telluride area, all going to places like gunnison. San miguel county should help fund a trail crew so our trails don't get worse shape than they are/ I would say top priorty should be drainage work, every trail I can think of up there needs major work... Signing is decent, don't cater to lost tourists, people should carry a map when they go out... dedicated volunteer group like they have in ouray could help the USFS keep up with yearly maintenance | 10/29/2015 8:45 PM |
| 16 | No major signage (leave it alone) - the experience of solitude, silence and wildlife encounters is priceless | 10/29/2015 5:39 PM |
| 17 | more trails out of town to alleviate crowds on Bear Creek and Jud Wiebe | 10/29/2015 2:26 PM |

| | | |
|----|---|---------------------|
| 18 | Better and more connections as well as new trails mentioned above. I also think the trails should be open to e-cycles. If there was a decent off highway trail from Placerville to Tride I know I would ride my bike instead of drive as much as I could in the summer. I have had others tell me they would do the same! | 10/29/2015 12:52 PM |
| 19 | Signage | 10/29/2015 11:01 AM |
| 20 | Bike access to town from resort (not boomerang) | 10/29/2015 10:59 AM |
| 21 | More down valley trails | 10/28/2015 8:30 PM |
| 22 | Galloping goose stream crossings between Wilson Creek (east fork) and sunshine mesa road. Add more intermediate level mountain bike single track- wherever possible. Create an easy 4-8 mile beginner loop on valley floor to put tourists and our local beginner kids on. | 10/28/2015 6:26 PM |
| 23 | New trails in more exposed areas!! | 10/28/2015 5:03 PM |
| 24 | bridges above Sawpit | 10/28/2015 4:54 PM |
| 25 | Better smoother mtb trails | 10/28/2015 4:00 PM |
| 26 | Signage for sure. Then maintaining some washed-out, eroded and sketchy high-exposure places in the high country. | 10/28/2015 3:24 PM |
| 27 | We need bike trails on the front side. | 10/28/2015 8:29 AM |
| 28 | The Colorado tourism has grant money in place for towns to connect with bike hike trails. Like Rico to Telluride. And Telluride to Ridgway. | 10/27/2015 9:23 PM |
| 29 | Some sections of existing trail (ie mill creek, eider creek) are getting over grown | 10/27/2015 2:34 AM |
| 30 | Focus on beginner and intermediate trails. Our terrain is difficult for this, but really it is what we lack compared to most resort communities. | 10/26/2015 9:10 PM |
| 31 | more connections between trails and the trail suggestions listed above | 10/26/2015 7:27 PM |
| 32 | Signage | 10/26/2015 6:25 PM |
| 33 | Better connections, improved signage and multiuser trails | 10/26/2015 6:13 PM |
| 34 | Creating a multi-use trail system close to town and Alta. And signage for hikers in the Hugh Country! | 10/26/2015 4:56 PM |
| 35 | More trails! | 10/26/2015 11:32 AM |
| 36 | clean up some of the existing trails so they are not overgrown and add new and interesting trails. | 10/26/2015 10:44 AM |
| 37 | A trail to bridal Veil. | 10/25/2015 9:05 AM |
| 38 | Better connections | 10/23/2015 3:00 AM |
| 39 | Better connections, more single track, more technical sections. | 10/22/2015 3:21 PM |
| 40 | more intermediate trails | 10/22/2015 1:37 PM |
| 41 | Don't know, sorry. | 10/22/2015 12:29 PM |
| 42 | remediating the already in place old mining trail to the Mill ruins in prospect would be a low impact, USFS jurisdiction based, historically informative and moderately challenging trail for our residents and visitors be they summer hikers or winter snowshoers. It would be akin to a hike to the Lewis mine but on a scale much more accessible by residents and visitors alike | 10/22/2015 11:45 AM |
| 43 | Signage. Connecting trails. Easy to use one place website for trail status and ratings | 10/21/2015 5:32 PM |
| 44 | Better connections to make medium and longer distance loops around mountain village | 10/21/2015 4:27 PM |
| 45 | More intermediate trails in the mountain village and prospect and ski area. | 10/21/2015 4:22 PM |
| 46 | The root section (downhill from the Prospect T-Pee) really needs some help.... | 10/21/2015 2:23 PM |
| 47 | signage, connections | 10/21/2015 2:13 PM |
| 48 | Signage and more medium level trails | 10/21/2015 1:39 PM |
| 49 | Signage - we are a resort town as well as a community! | 10/19/2015 3:33 PM |

| | | |
|----|--|---------------------|
| 50 | Improve and maintain existing. Connectors. Let high country alone for those few of us that use them. The lack of trails there is our freedom to come. | 10/19/2015 2:02 PM |
| 51 | Signage and trail improvements | 10/17/2015 2:24 PM |
| 52 | Extend river trail to bridal veil | 10/16/2015 5:56 AM |
| 53 | connections | 10/15/2015 1:43 PM |
| 54 | New intermediate trails/signs for connecting prospect to alta lakes and signs for trail system in alta lakes | 10/15/2015 10:48 AM |
| 55 | Something like the the perimeter trail in Ouray that would be easy and accessible for tourists. Take a little pressure off the Weibe and keep Clay's Way unsigned, unmapped, and QUIET. | 10/15/2015 10:47 AM |
| 56 | Bear Creek to Bridleveil Falls | 10/15/2015 10:00 AM |
| 57 | More diversity in less difficult trails so locals and more importantly tourists have a choice rather than really extreme riding. | 10/15/2015 9:14 AM |
| 58 | Add more biking trails - ones that allow hikers are fine though. | 10/14/2015 10:02 PM |
| 59 | New trails and connections | 10/14/2015 8:53 PM |
| 60 | A small amount of signage in bridal veil basin at jcts. | 10/14/2015 8:46 PM |
| 61 | More bike trails back to telluride from mtn village. Or from top of gondola. More looks and connections into and out of prospect basin and Alta. | 10/14/2015 7:30 PM |
| 62 | Temporary/removable bridges on the Valley Floor bike paths; MORE trails & loops on the Valley Floor; a beginner-friendly connection for T35/Galloping Goose | 10/14/2015 11:04 AM |
| 63 | Single track trails up to waterfall/ powerhouse, complete River trail to down valley | 10/14/2015 8:20 AM |
| 64 | Get the Forest Service involved in managing their system not just lip service but hands on. | 10/13/2015 6:21 PM |
| 65 | Specific trail improvement | 10/13/2015 3:12 PM |
| 66 | Better connections on the ski Mtn. & a top to bottom winding single track into town for those willing to climb to the top. Whistler does a fantastic job of linking trails. | 10/13/2015 2:36 PM |
| 67 | New and improved trails to support and connect to existing trails. | 10/13/2015 2:28 PM |
| 68 | Map with all of the trails for locals and visitors to easily find trails | 10/13/2015 12:55 PM |
| 69 | Smurf downhill on Prospect. I think it should be rebuilt entirely. | 10/13/2015 12:23 PM |
| 70 | either leave alone or mitigate the impact of downhill traffic at prospect, alta lakes & T35. East Fork is not included on the survey, but East Fork, Calico Trail & Wilson Mesa suffer serious damage from motorized dirt bikes. | 10/12/2015 11:53 PM |
| 71 | Trails like Deertrail Basin need to have deadfall trees cleared... this is an example, generally speaking it would be nice for less-used trails to be maintained a bit better). Trail into La Junta Basin from Bear Creek may be in the same category. | 10/12/2015 9:56 PM |
| 72 | Trail improvements connecting Rico to Telluride and beyond | 10/12/2015 4:09 PM |
| 73 | At this point I'm probably most interested in Norwood & West End based trails | 10/12/2015 3:57 PM |
| 74 | signage on the galloping goose trail to avoid highway 145 when using the underpass to continue down illiim valley. dog doo bags and can | 10/11/2015 5:55 PM |
| 75 | I think the Silver Lake trail needs a lot of help! All the trails in Bridal Veil need more work and signage. I like some of the ideas for new trails around Telluride. | 10/11/2015 3:04 PM |
| 76 | 1. Uphill option to San Sophia from town/ mtn village. 2. Last dollar/Hastings Mesa trail system 3. Down valley river trail to sawpit & placerville | 10/10/2015 12:29 PM |
| 77 | improving existing system, discovering new trails linking residential zones. | 10/9/2015 10:20 PM |
| 78 | This is a good place to start in making those decisions - a little bit of each is a good place to start, allowing obvious priorities to get a bigger slice would work. | 10/9/2015 2:53 PM |
| 79 | Water drainage in rainy season. | 10/8/2015 1:30 PM |

| | | |
|-----|---|--------------------|
| 80 | Not sure, but when the heavy rains come in the summer, the Ilium-Sawpit river road gets practically washed out and nearly un-usable for long amounts of time. Not sure what the solution there is. | 10/8/2015 9:41 AM |
| 81 | We should have a complete trail network, instead of random trails that have just evolved. Mt. Village has great terrain for both downhill/lift access trails, and cross country trails. Yet their current trail system is garbage. Alta lakes is one of the best rides in the area, yet it is impossible to follow with out someone showing you the way (Signage!) | 10/8/2015 7:48 AM |
| 82 | adding new trails in the Prospect, Alta, Telluride Trail areas | 10/8/2015 6:44 AM |
| 83 | Signage | 10/8/2015 4:13 AM |
| 84 | Getting startef | 10/7/2015 7:53 PM |
| 85 | the great but very beaten up section of the top of prospect on the way down (papa smurf down) | 10/7/2015 7:25 PM |
| 86 | Better connections. Establish the single track in Ophir! | 10/7/2015 6:21 PM |
| 87 | Get money. How about working with the community to rethink the Airline Guarantee Tax program. Revisit it, by vote, every other year with consideration for other programs - like dedicating to trails & trail improvements for 2 years. | 10/7/2015 1:18 PM |
| 88 | Valley floor single track. It connects so many trails in and out of Telluride so it is a key component to a successful trail system...and it's in bad shape. Beginner bicyclists go out there thinking that because it is flat it is easy, but I see them struggling all the time. I am not typically an advocate for separate hike/bike trails, but this is one area that could benefit from that. It is very difficult to pass each other on some of the narrow (and muddy) single-track sections, and it is frustrating. During the peak summer months it is SO crowded. Another trail or two could to be added and the current one better maintained. | 10/7/2015 1:16 PM |
| 89 | Better connections. Improved trails between towns, shops and gondolas. | 10/7/2015 12:03 PM |
| 90 | A trail from Telluride to the top of the Gondola (uphill) that would allow for a few different loops. It would also decrease the number of cyclists on the Gondola as you would be able to ride from town to the top of the Gondola and hook up with Prospect of Village trail to continue a loop. | 10/7/2015 10:04 AM |
| 91 | another Jud Wiebe type trail from town to take the pressure of that one. | 10/7/2015 10:02 AM |
| 92 | Providing more flowy trails would be a wonderful addition to this area. | 10/7/2015 9:48 AM |
| 93 | Yes, all of the above. Some of the trails are super sketchy and scary. Roots particularly. | 10/7/2015 9:19 AM |
| 94 | Simple, easy signs for popular trails - I like symbols better than maps - or both. Connections, particularly around Telluride, that allow for big loops with minimal road travel. | 10/7/2015 9:03 AM |
| 95 | The existing trails seem to be fine. We could really benefit from some new bike trails in places where there aren't any. | 10/7/2015 6:53 AM |
| 96 | Prospect to black iron loop. Gondola to bear creek traversing thru 9 area. Gondola to town down west side of milk run towards boomerang. Uphill routes from town and my. Village to prospect that's designed for climbing for average rider. Meadows to valley floor connector, avoiding dangerous highway crossing to Lawson. | 10/7/2015 1:40 AM |
| 97 | bridal veil trail | 10/6/2015 11:03 PM |
| 98 | Signage | 10/6/2015 10:35 PM |
| 99 | The trails around here are obviously steep. For both better Mountain Biking and Trail Running / Hiking, trails that were longer and had more flow (similar to Crested Butte) would be amazing and welcomed. | 10/6/2015 10:05 PM |
| 100 | smooth out Jerasic and Meadows trails and make a trail connecting to the valley floor from the Meadows area. The highway intersection is very dangerous. Build bridges over the river crossings on the middle of the valley floor so that trail system can be used by all all summer long. Better signage for the tourists. | 10/6/2015 9:40 PM |
| 101 | One-way bike trail system with different skill levels and ability to go for long or short routes. | 10/6/2015 9:22 PM |
| 102 | Create group or committee that can work towards securing land and building new trails and improving existing trails. | 10/6/2015 9:06 PM |
| 103 | More Trail Maintenance Days and Plan New Trails ASAP | 10/6/2015 8:59 PM |

| | | |
|-----|---|--------------------|
| 104 | More trails for beginners. | 10/6/2015 7:15 PM |
| 105 | ANY NEW SINGLETRACK! could we add a single track to access the mill creek and eider trails instead of mill creek road? | 10/6/2015 5:42 PM |
| 106 | new trails | 10/6/2015 5:37 PM |
| 107 | Better/More Connections | 10/6/2015 5:21 PM |
| 108 | BV Trail | 10/6/2015 5:18 PM |
| 109 | General maintenance (fixing potholes and considering the especially mud-prone areas) | 10/6/2015 5:02 PM |
| 110 | More bike trials and a few additional signs Oh, and I HATE the exposed blue pipe at the bottom of Village Trail! | 10/6/2015 4:34 PM |
| 111 | Trail improvements to attract more users - | 10/6/2015 4:25 PM |
| 112 | Way more cross country trails off gondola and a trail that returns from gondola to valley floor via large traverses on front side. | 10/6/2015 4:22 PM |
| 113 | I would love to have mountain biking be a big tourist attraction for this area. We need more trails and trails for all skill levels. More of a network of connecting trails to allow for short loops as well as the epic big loops. Not every ride needs to be an epic one. | 10/6/2015 3:43 PM |
| 114 | Signage and moderate cross country Mountain Biking trails to encourage youth development and family outings. | 10/6/2015 3:07 PM |
| 115 | Ophir Valley Perimeter Trail | 10/6/2015 3:01 PM |
| 116 | new trails rerouting the sheep creek trail to deep creek- create a more rideable /gradual ascent(better descent) for that short distance. | 10/6/2015 2:56 PM |
| 117 | More trails, especially mtn biking to make Telluride a better destination for mtn biking. Overall we are behind the competition | 10/6/2015 2:26 PM |
| 118 | I enjoy the current trails systems, however, I feel that improvements are positive things and why stop improving? | 10/6/2015 2:25 PM |
| 119 | Fix Prospect in about 10 areas, including a bridge over the 15 ft stream and re-routing the very steep hill and widening some washed out areas, and flattening some roots in the upper loop. | 10/6/2015 2:12 PM |
| 120 | Better connections and improvements of existing trails. | 10/6/2015 2:04 PM |
| 121 | Better access to trail information- visit telluride.com, hiking websites, etc. have crap information for hiking in the region and books generally rate things as much more difficult than they are. a local hiking guide with maps, distances, locations and trail descriptions would be great!!! | 10/6/2015 2:02 PM |
| 122 | trail improvements | 10/6/2015 1:53 PM |
| 123 | It would be nice to get rid of all the roots in prospect. Open this area up before July. Adding real berms on the corners throughout the downhill. More signs. Adding 5 more trails similar to Prospect. Cleaning up T35 corners, seems like a hiking trail more than a mt bike trail | 10/6/2015 1:48 PM |
| 124 | Signage for the visitors. Connectors for the Aldasoro/Deep Creek area. Speak to Hidden Lakes about putting in a trail that stays away from the homesites and that will access the hidden lakes trail. Or maybe it stays on NF and does not go into their property. | 10/6/2015 12:14 PM |
| 125 | A connected, intentional, purpose built system for both mountain biking and less challenging hiking - this would be a great amenity as well as be a significant tourist draw, would be the most environmentally sustainable option, and would garner the most public and private support | 10/6/2015 9:25 AM |
| 126 | Turkey Creek and Trails right out of Telluride, would be AWESOME to separate cars from bikes and hikers on the Bridal Veil Road. Norwood could become a mountain bike destination like Phil's World... | 10/6/2015 9:08 AM |
| 127 | Several new flagship trails. Dallas to Sawit/Placerville, trails off Lizard Head Pass to the Trestle, Rebuilding Alta Lakes, and fixing all trails where water damage is ruining them from poor trail building and planning | 10/6/2015 8:54 AM |
| 128 | Better connections. Finish Alta. | 10/5/2015 8:34 PM |
| 129 | Box Canyon loop, and more development in Ophir valley for biking and hiking | 10/5/2015 3:44 PM |
| 130 | MORE TRAILS | 10/5/2015 12:44 PM |

| | | |
|-----|--|--------------------|
| 131 | SIGNAGE | 10/5/2015 11:06 AM |
| 132 | It's pretty darn good the way it is. I'd favor an approach built around "if it ain't broke, don't fix it". There are definitely some trails that need improvement and most require periodic maintenance although most are in good shape now. | 10/5/2015 8:37 AM |
| 133 | i wouldn't prioritize any one focus over another. | 10/4/2015 10:05 PM |
| 134 | We need more beginner bike trails and more advanced hiking/biking trails | 10/4/2015 3:35 PM |
| 135 | Better road access | 10/4/2015 10:11 AM |
| 136 | Ski area, turkey creek, alta | 10/3/2015 9:39 AM |
| 137 | More kids bike trails. Via ferratas. | 10/3/2015 7:13 AM |
| 138 | New easily accessible trails close to town, try to lower overcrowding on most popular trails (new trails off of Jud Weibe for example | 10/2/2015 9:27 PM |
| 139 | good connections. | 10/2/2015 8:08 PM |
| 140 | It would nice to have a mountain bike trail down the front side of the mountain to town. | 10/2/2015 5:09 PM |
| 141 | From a safety standpoint, multi-use trails need some way to slow bikers, especially on descent. | 10/2/2015 4:00 PM |
| 142 | More education | 10/2/2015 3:42 PM |
| 143 | Sunnyside trails that would be rideable longer | 10/2/2015 3:35 PM |
| 144 | Repair the smurf section of Prospect | 10/2/2015 3:08 PM |
| 145 | Add new trails | 10/2/2015 2:27 PM |
| 146 | First signage, then new connections and mor beginner tails, then overall improvement | 10/2/2015 2:22 PM |
| 147 | Fix problem places, build new trails | 10/2/2015 2:10 PM |
| 148 | Lobby congress to reroute wilderness designation area to be just north of Highline trail. Better signage with a consistent local design, perhaps a SMBA logo. | 10/2/2015 1:12 PM |
| 149 | bettter connections | 10/2/2015 12:19 PM |
| 150 | Smooth out the ruts, severe maintenance is needed everywhere! | 10/2/2015 10:57 AM |
| 151 | The west end of the river trail along the valley floor needs serious attention from washout, deep muddy spots that are getting deeper. Heavy usage trail. | 10/2/2015 10:39 AM |
| 152 | a permanent "real" trail from east Telluride to Tomboy Road | 10/2/2015 9:47 AM |
| 153 | Better connections, signs and mileage | 10/2/2015 9:34 AM |
| 154 | signage, connector trails and off road trail up to bridal veil | 10/2/2015 8:59 AM |
| 155 | Trail up to Bridal Veil w/no cars allowed. | 10/1/2015 2:35 PM |
| 156 | Better education! Many locals have taken actions that misrepresent the good nature efforts that many entities have take to ensure the proper preservation of our most sacred lands. | 9/30/2015 10:16 PM |
| 157 | Much better maintenance of existing and any new Trails. | 9/30/2015 2:34 PM |
| 158 | Valley floor - building support to keep trail from deteriorating from mtn bikes riding through when wet/ muddy | 9/30/2015 11:31 AM |
| 159 | We are really lagging on creating a viable trail network. There is a good foundation, but looking at other similar areas we are not really doing anything to improve on what we have versus other resorts. When you look at other areas they are really investing in biking and hiking trails that cater to all levels i.e. Crested Butte, and Moab. The goal here should be to get more people out there but spread them across a broader area. That is key for the sustainability of the system as well as keeping user conflict to a minimum. Currently I see the ski area as one of the main arteries for both hikers and bikers of all ability levels, and ultimately getting filtered into one trail. With more people coming to the area this will only heighten the potential for user conflict as well as degrade the trails. | 9/29/2015 6:29 PM |
| 160 | More options - including options for off-gondola season times (Pre 4th of July) Figure out what's up with Rudy's area & push for the hillside area to be developed | 9/29/2015 2:19 PM |

| | | |
|-----|---|--------------------|
| 161 | Repair or re-route the Smurfs on Prospect for long term viability. Switchback improvement on the Wiebe. Connect North side trails with South side trails somehow for big perimeter loop. | 9/29/2015 10:22 AM |
| 162 | Reroute for drainage | 9/28/2015 7:38 PM |
| 163 | See note about Prospect above. And improvement of river trail west of town: better drainage, fill in potholes, fix uneven flagstone, build "bridges" over the spots that are always muddy... | 9/27/2015 10:00 PM |
| 164 | Idarado to BridalVeil, other connectors, which will spread people out | 9/27/2015 1:50 PM |
| 165 | Better connections | 9/26/2015 6:29 PM |
| 166 | Signage | 9/26/2015 7:40 AM |
| 167 | More beginner/intermediate trails overall - especially trails that could be accessed from the Gondola. There is a huge gap in family friendly enjoyable trails VS existing heavily challenging trails | 9/25/2015 8:47 PM |
| 168 | Adding more trails and improving existing trails to be more sustainable through wet periods. | 9/25/2015 7:28 PM |
| 169 | I would love to see more trails in mountain village- dog friendly of course. | 9/25/2015 1:25 PM |
| 170 | more xc trails on ski area (it is USDAFS after all), more trails on Deep creek side | 9/25/2015 8:25 AM |
| 171 | Better connections | 9/25/2015 8:16 AM |
| 172 | Showing were to hike for tourists that are looking for a good mountain experience with out being to stressed with a vacation at high altitude. Walking, good photo opportunities . The smells of the forest, signage at a proper level so people do not feel lost but still are in a remote setting. Gestein, Austria as an example. There are beautiful walks leading to views with benches and trail signs explaining animals, plants, history then to chalet on mountain for a meal or snack then trails become much more rugged. The main trails are good for everyone including elderly and young children , all can enjoy the mountain experience. | 9/24/2015 10:09 PM |
| 173 | Mentioned above a bridge over Bilk Creak, and downed tree work on the Alder Creak Trail. | 9/24/2015 4:19 PM |
| 174 | Connector trail from galloping goose to two rivers | 9/24/2015 4:00 PM |
| 175 | More educational plaques. History, geology, indigenous plants / animals. | 9/24/2015 2:18 PM |
| 176 | Signage, more connections and more trails overall | 9/24/2015 2:16 PM |
| 177 | creating more user-friendly trails that are moderate, fun for the intermediate rider. What I see are bikes on the mtn (mostly for DH) and trails around town are quite steep and rocky and conflict with hikers. | 9/24/2015 1:54 PM |
| 178 | Only repairs to existing trails, no widening, better signage or guide books. | 9/24/2015 11:36 AM |
| 179 | Better connections and existing trail maintenance, creating a trails system that keeps bikes & pedestrians off of the roads | 9/24/2015 9:18 AM |
| 180 | I think signage - I hike from town to MV on Wasatch a lot and folks tend to cross the creek in the upper basin and go on the wrong trail frequently - we just need more directional signs at key crossings on all the trails - another one is the blue lake trail turn instead of going towards mud lake | 9/24/2015 8:44 AM |
| 181 | several trails are eroding and need maintance | 9/24/2015 6:17 AM |
| 182 | The recent improvements to Prospect Trail in the Papa Smurf section are great. However, I think that the few miles of downhill immediately following Papa Smurf are even worse. They are in bad need of help. Also, some signs and/or better designated trails on Prospect to Alta/T35 would be great. I often find myself dead ending on private property or exploring a network of rogue and/or animal trails, trying to find my way down to the highway. More trails have been planned on the ski area and I can't wait until they are built! A couple of downhill routes for bikes on the front side both from the Village Core and from the top of the Gondola would be fantastic! | 9/23/2015 10:59 PM |
| 183 | All out effort to create integrated trail system. Too late in most areas but there may still be a chance for a south side rim trail from airport road to the Wiebe. Also need some easy swoopy, purpose built mt. bike trails. | 9/23/2015 10:07 PM |
| 184 | Separate bike and walking trails on the valley floor. | 9/23/2015 10:01 PM |
| 185 | better connections and improved signage | 9/23/2015 9:57 PM |
| 186 | More mtn bike friendly, better connections | 9/23/2015 9:15 PM |

| | | |
|-----|--|--------------------|
| 187 | The current trail system is pretty good, I hate signs but a few signs at intersections are good to have | 9/23/2015 6:09 PM |
| 188 | Winterwanderweg. In German areas of the Alps, ski resorts promote groomed winter walking, extending outdoors to nonskiers. | 9/23/2015 6:00 PM |
| 189 | Signage... | 9/23/2015 4:58 PM |
| 190 | Connections | 9/23/2015 1:10 PM |
| 191 | better connections | 9/23/2015 12:57 PM |
| 192 | I love Telluride, this place is so beautiful but mountain biking is so far behind in Telluride and I cant understand it! Crested Butte has it dialed in I don't understand how people ignore the amount of revenue that can be generated but most of all the amount of fun beautiful trails in Telluride. Lets face it, people know about Telluride they come from all over the world to enjoy these mountains. There has to be a way to build more amazing trail and keep low environmental impact. | 9/23/2015 12:43 PM |
| 193 | we need to develop trails for all levels | 9/23/2015 12:35 PM |
| 194 | see above | 9/23/2015 12:09 PM |
| 195 | Connect and enhance trails in MV | 9/23/2015 12:03 PM |
| 196 | Leave it alone mostly; only pay attention to glaring issues of safety or dire structural need - which are in need of "repair". | 9/23/2015 11:37 AM |
| 197 | Signage | 9/23/2015 11:34 AM |
| 198 | Again, smoothing out and improving connections in Prospect to Jurassic to Meadows would be a good start. | 9/23/2015 11:15 AM |
| 199 | Bridal Veil road - terrible for hikers, either needs a side trail or 4x4 trail maintenance | 9/23/2015 10:49 AM |
| 200 | Fix or re-route prospect trail, and create more options off of prospect throughout the ski area | 9/23/2015 9:54 AM |
| 201 | Maintenance; water bars, dips, retread, benching= Prospect descent. A proper descent trail with proper grading, banks and tread for Prospect, riding into the disc golf course does not work. SIGNS! Better tread materail on on-mountain trails, marble gravel is way too slippery and dangerous. Trails wide enough and graded well enough for off-road handcycles. | 9/23/2015 9:54 AM |
| 202 | Better connections, smoother turns and overall trails. | 9/23/2015 9:47 AM |
| 203 | I would like to see the mountain improve summer mountain biking opportunities - there are so many examples of other resorts that absolutely kill summer time activities. | 9/23/2015 9:17 AM |
| 204 | Trail Maintenance such as clearing of downed trees, stream crossing bridges for mountain bike trails | 9/23/2015 9:15 AM |
| 205 | Signage and better connections. | 9/23/2015 7:26 AM |
| 206 | The river trail from Cdot to Sawpit. | 9/23/2015 7:09 AM |
| 207 | Improving Prospect upper loops. | 9/23/2015 6:50 AM |
| 208 | interoperable signage per ELM http://usngcenter.org/portfolio-item/elm-system/ | 9/23/2015 6:44 AM |
| 209 | Probably non-motorized access from town and signage above timberline | 9/22/2015 10:45 PM |
| 210 | Our trails are awesome, but I can't imagine trying to find a trailhead or route if I weren't a local. We need some signs! | 9/22/2015 8:38 PM |
| 211 | Overall plan for connection and expansion and signage | 9/22/2015 4:28 PM |
| 212 | Fixing up some of our over used trails that need a bit of work. | 9/22/2015 4:03 PM |
| 213 | Fix the holes on upper prospect trail down hill. More trails, more flow, better signage in Alta area. Maybe trails off of chair six. | 9/22/2015 3:13 PM |
| 214 | Improved connections to other trails, like down the San Miguel valley, over to Ridgway/Ouray/Silverton and up to Colorado Trail. | 9/22/2015 2:52 PM |
| 215 | Specific trail improvements or cratering new trails | 9/22/2015 2:36 PM |
| 216 | Improving bike trails- adding new tech. sections | 9/22/2015 1:51 PM |
| 217 | More trails and linkin existing trails | 9/22/2015 1:42 PM |

Telluride Regional Trails System Vision Survey

SurveyMonkey

| | | |
|-----|--|--------------------|
| 218 | More trails in Norwood and San Miguel Canyon. | 9/22/2015 12:46 PM |
| 219 | More beginner/intermediate downhill bike trails | 9/22/2015 11:59 AM |
| 220 | Improve the ski area trails and add more loops on the ski area. Specifically, I believe there is great potential for Mt Biking trails in Prospect Basin. | 9/22/2015 11:24 AM |
| 221 | Trail that goes behind the mine boulders and up to Bridalveil so that hikers and via ferrata users don't have to use the road. | 9/22/2015 10:51 AM |
| 222 | Better connections. More intermediate trails. | 9/22/2015 10:38 AM |
| 223 | Trail head signs in town for tourists, also on Main Street to point them in the right direction for bear creek and the wiebe | 9/22/2015 10:04 AM |
| 224 | Mapping then trail improvement, then the alta lakes rerouting then new trails | 9/22/2015 9:53 AM |
| 225 | purpose-built mt biking trails that are flowy and awesome. | 9/22/2015 9:42 AM |
| 226 | Trail improvements such as redirecting of water runoff. I also think having a full time maintenance crew would be huge!!! | 9/22/2015 9:41 AM |
| 227 | Signage | 9/22/2015 9:41 AM |
| 228 | Probably signage | 9/22/2015 9:36 AM |
| 229 | More trails in general | 9/22/2015 9:36 AM |
| 230 | Improved signage within town so people can find trail heads, and improved communication of trail information online and at visitor touch points. | 9/22/2015 9:31 AM |
| 231 | Much better signage/education about multi-use in Bear Creek; Prospect drainage | 9/22/2015 9:31 AM |
| 232 | more trails and having them connect better | 9/22/2015 9:05 AM |

Q22 Any last thoughts on your vision for the future of trails in the Telluride Region?

Answered: 171 Skipped: 162

| # | RESPONSES | DATE |
|----|--|---------------------|
| 1 | we are way behind our neighbors in providing good quality trails that are suitable for a variety of riders. It has been proven that trails attract visitors - look at Sedona as an example. | 1/9/2016 10:21 AM |
| 2 | Biking brings in big money. The person who bikes is the same person who comes to ski in the winter. More sweet single track is a must for tourist economy | 11/18/2015 8:52 PM |
| 3 | Thank you! | 11/18/2015 4:01 PM |
| 4 | Enlist support of the school kids! | 11/18/2015 3:02 PM |
| 5 | There is no reason that we should be just as much of a mountain bike mecca as Durango or Crested Butte, just need more mountain bike trails and trail systems in the area. Thanks so much for starting the conversation and asking for input! Taking this survey got me excited! | 11/18/2015 2:33 PM |
| 6 | yes -- regional trailhead parking that the bus stops at. | 11/13/2015 5:46 PM |
| 7 | Lets do this! | 11/12/2015 3:05 PM |
| 8 | Let's make our trail system awesome! | 11/10/2015 8:43 PM |
| 9 | Get RID of Judy Shutza, USFS district ranger. We will NEVER have good bike trails with her in office. This would be the single most important step to begin quality bike trails - like EVERY other town in the West has been building over the last 10 years. She is not compatible with any trail vision. | 11/5/2015 6:59 PM |
| 10 | I would be willing to pay for a summer season bike park pass if it included regularly maintained trails and potential new trails. I think the park could be expanded on the ski resort and even the potential to open lift 4 as a bike lift. | 11/1/2015 7:24 PM |
| 11 | There are enough trails, including animal and mining. New and some existing trails impact the animals that live there. Leave areas wild for future generations. | 10/30/2015 8:55 PM |
| 12 | Although Telluride has a very good trail system, Wrights Mesa needs improvement | 10/29/2015 9:28 PM |
| 13 | Let me know what I can do to help | 10/29/2015 8:45 PM |
| 14 | Why a pig roast for the Mountain Club picnic?? Love the picnic idea, but aren't we more evolved than a pig roast? | 10/29/2015 5:39 PM |
| 15 | I hope the trails here can be improved thoughtfully and ecologically with the vision of providing another avenue for commuters to get around as well as making the region attractive to tourists in yet another amazing way. | 10/29/2015 12:52 PM |
| 16 | Why not have some of these guiding companies that make money using our trails be required to pay a fee or tax per person to help with trail maintenance and improvements. | 10/28/2015 6:26 PM |
| 17 | they will suffer from people pressure | 10/28/2015 4:54 PM |
| 18 | To have the best hiking and biking trails in colorado | 10/28/2015 4:00 PM |
| 19 | See above. | 10/27/2015 9:23 PM |
| 20 | More trails in prospect. Map and sign Alta lakes | 10/27/2015 2:34 AM |
| 21 | Keep at it! :) | 10/26/2015 9:10 PM |
| 22 | Let's make it happen! | 10/26/2015 7:27 PM |
| 23 | Clearer trails connecting to Yankee boy basin from telluride. | 10/26/2015 6:13 PM |
| 24 | We are light years behind. We need to come together as a community and look at the ski towns who have succesfully built trails: Steamboat, Breckenridge, Park City, etc and start being more proactive. | 10/26/2015 4:56 PM |

| | | |
|----|--|---------------------|
| 25 | A number of old roads should still be available to hikers/bikers - e.g. birk creek road. are they open or not? Also, please advocate for hunting access to public lands - in our area hunters have almost no representation. | 10/26/2015 11:32 AM |
| 26 | Glad you're asking these questions | 10/23/2015 3:00 AM |
| 27 | the trail system is good but VERY spread out. Many aren't available to hotel visitors w/o cars. Need a few more easy ones right by the hotels - maybe behind See Forever down to the valley floor avoiding boomerang. | 10/23/2015 12:56 AM |
| 28 | Big ass network of trails in the high alpine. Connect Rico, Ouray, ridgway, Silverton, telluride, by single track. | 10/22/2015 3:21 PM |
| 29 | above all, respect property and easement rights first so that a spirit of cooperation is the first sentiment in maintenance or new additions, encourage and reach out to those willing to donate time and money to maintain and create and provide for "good Samaritan" protection for those willing to participate in maintenance outside of formal work days/efforts | 10/22/2015 11:45 AM |
| 30 | Thanks for doing the survey | 10/21/2015 5:32 PM |
| 31 | If you come up with specific trails projects to build I think you would improve chances of getting Municipalities HOAs and individuals to sponsor them. Good luck. How do you join? | 10/21/2015 4:27 PM |
| 32 | encourage more users and develop more diverse trail systems. | 10/21/2015 4:22 PM |
| 33 | The existing system is so wonderful that expanding it will only make it that much better!!! | 10/21/2015 2:23 PM |
| 34 | I'm not a mountain biker so don't take this too seriously. I hike the trails a lot and I think they are great. I hear from hard-core mountain bikers that our trails need improvements but haven't heard any specifics. Great survey! | 10/21/2015 12:59 PM |
| 35 | I appreciate your organization's work!!!! | 10/19/2015 3:33 PM |
| 36 | Thank you for your work! | 10/17/2015 2:24 PM |
| 37 | I would volunteer time in off season, October during the week days would be good and in November fundraisers, maybe. | 10/15/2015 10:48 AM |
| 38 | Don't put them all on the Map. | 10/15/2015 10:00 AM |
| 39 | I think that if the trails system is done right could be a major tourist destination for riding. I don't think it is currently. | 10/15/2015 9:14 AM |
| 40 | I think there are so many trails that aren't even being utilized or have any traffic on them. They aren't all biking friendly, but I'd like to see some of those cleaned up and then a few more biking specific loop trails added. | 10/14/2015 10:02 PM |
| 41 | The vast majority of trails are on the upper end of difficulty..it would be nice to create smoother/faster single track climbs and descents if possibel- for bikers. Thanks for all the hard work out there!! | 10/14/2015 8:53 PM |
| 42 | The trail system seems to be in good hands with you guys. Any improvement or additions would be a great bonus. Thanks! | 10/14/2015 7:30 PM |
| 43 | more Beginner/Intermediate-friendly bike trails in our area (RAT is an excellent regional example) | 10/14/2015 11:04 AM |
| 44 | this has got to be a community working relationship involving groups, individuals, land owners and especially the Forest Service working toward a common goal of providing folks a great experience while protecting the environment and watershed. | 10/13/2015 6:21 PM |
| 45 | Lets ad lots of milage without too much up and down elevation if possible so you earn your elevation and once there, can enjoy the beautiful scenery and forest and cover some ground on our amazing mountain. The views from the different aspects of our mountains are worth working to get to. Thank you. | 10/13/2015 2:36 PM |
| 46 | Buttery | 10/13/2015 2:28 PM |
| 47 | There is a lot of potential. And Max Cooper is a visionary. | 10/13/2015 12:23 PM |
| 48 | I do think Telluride needs more trails that tourists can enjoy - the main trails - i.e. JW, Bear Creek, up to mine - are getting too crowded. | 10/12/2015 3:57 PM |
| 49 | Dog laws | 10/11/2015 5:55 PM |

| | | |
|----|--|---------------------|
| 50 | Having good trails around the town of Telluride is good for business. I like the ideas for the perimeter trail, the trail to the base of Bridal Veil and we need a better loop trail going up and down Bear Creek. | 10/11/2015 3:04 PM |
| 51 | Would love to have more intermediate to advanced options. Excited to be a part of this trail expansion movement/group!! | 10/10/2015 12:29 PM |
| 52 | Go Go Go! | 10/9/2015 10:20 PM |
| 53 | I have a couple of proposals, I'll put them in line after you get things started. | 10/9/2015 2:53 PM |
| 54 | I hope to use them more often and for many years to come. Thank you for all you do! | 10/8/2015 1:30 PM |
| 55 | All in all I think the trails are great, as I primarily hike with my dog and am not familiar with all the biking options or needs. I would like to see a few more options, but it's not of huge importance to me. | 10/8/2015 9:41 AM |
| 56 | A quality trail system within the ski area would be a huge economic boost for Mt. Village. They need to kick in money and connect to the outlying trails. | 10/8/2015 7:48 AM |
| 57 | Lets build it, everyone will benefit. | 10/8/2015 6:44 AM |
| 58 | Better app system, people able to update downed trees, problem spots. Etc ... Mtb is ok but still doesn't have everything. | 10/8/2015 4:13 AM |
| 59 | we are falling way behind many, many towns in our trail system specifically for mountain biking. nice to see the Ridgeway and Norwood systems so we have earlier and later season riding. | 10/7/2015 7:25 PM |
| 60 | Way to get together and work on this issue! Thanks for taking the time to finally move this conversation forward! | 10/7/2015 1:18 PM |
| 61 | We have so many great trails. However, a few new trails would be nice because our summer crowds are growing and many trails are getting overused and overcrowded. Planning now for growth makes sense. Also, there are many long "Saturday" hikes out there, but I would envision a few new trails that are shorter "lunch-break" hikes and/or "tourist" trails. Finally, there are very few mountain bike trails for the beginner and I envision a more complete system that includes all skill levels. | 10/7/2015 1:16 PM |
| 62 | Thanks! | 10/7/2015 12:03 PM |
| 63 | thanks for doing this! | 10/7/2015 10:02 AM |
| 64 | I have biked here for 25 years. I now bike less b/c they are so steep, difficult, poorly maintained. I have definitely considered quitting mountain biking. I still do love it. | 10/7/2015 9:19 AM |
| 65 | We are really lacking good intermediate mt biking trails, compared to other areas. Prospect is great, but it is really the only one. I would like to see more trails like prospect in our area. | 10/7/2015 6:53 AM |
| 66 | Bikes are awesome, build it and the culture will prosper and make telluride more year round. As it stands visitors have no trails to ride if they aren't at least intermediate skill level. Intemann | 10/7/2015 1:40 AM |
| 67 | when designed well , more is better ! | 10/6/2015 11:03 PM |
| 68 | I use the Keystone Gorge loop all the time. As a Lawson Hill resident I absolutely love the convenience and accessibility. | 10/6/2015 10:51 PM |
| 69 | Yes, simply build trails on terrain that has more rhythm. Prospect and the Alta areas are our best trails for cross country riding (and running). Use those as examples. The biking is really limited around here. It's a shame. I lived in Crested Butte for 7 years and here for 11, and there is absolutely no comparison. Our trails are steep and limited. I can count the good rides around here on one hand. Cross country biking would respond if there were more trails. Lastly, if you have seen what CB has done to it's ski area to accommodate cross country (and downhill) riding, you would be as jealous as me. Good luck! | 10/6/2015 10:05 PM |
| 70 | Thank you for the work you are doing to make all this happen. I think it would be best to take what we have and make it really good first with better signage, less roots and some bridges. And we need an easy trail for the tourist families. | 10/6/2015 9:40 PM |
| 71 | Telluride should be a biking Mecca with a great lift service bike park and lots of xc options and shuttle potential. Moreover connecting telluride with nearby towns via high alpine bike trails could create a very unique mtb environment that is rare in America. | 10/6/2015 9:22 PM |

| | | |
|----|--|--------------------|
| 72 | There are simply not enough trails in telluride. With the exception of the valley floor, there is nothing for entry level visitors to ride. We need to increase the quantity and improve the quality of our trail system. Other resorts I have visited have done a great job building trail systems that are user friendly to all levels of riders and hikers. This would be a boon for tourism and make the riding experience so much better. | 10/6/2015 9:06 PM |
| 73 | Max & Tor are on the right track! | 10/6/2015 8:59 PM |
| 74 | More trails over ski area. | 10/6/2015 7:15 PM |
| 75 | We have some tricky geography here but a few more flowy, rolling, and longer trails would be sweet. Beggars can't be choosers, though. Whatever we could get would be welcome. | 10/6/2015 5:42 PM |
| 76 | More loops that interconnect for mountain biking | 10/6/2015 5:21 PM |
| 77 | Hoping Gravity Logic (& TSG + TMVOA) and TMC can partner to make some great new mtn bike trails and improve our current ones. | 10/6/2015 4:34 PM |
| 78 | We have an opportunity here to create some great trails in our community - there are many unknown trails which is nice but we need to promote them and educate the public to get people up and out! | 10/6/2015 4:25 PM |
| 79 | I think they are working well and getting better. | 10/6/2015 3:46 PM |
| 80 | we have the sickest skiing around. We need that same feeling for mountain biking | 10/6/2015 3:43 PM |
| 81 | Thanks for your efforts! | 10/6/2015 3:01 PM |
| 82 | We need more options. Telluride as a place to go and ride instead of just go and dilly-dally in fancy restaurants would be a good thing | 10/6/2015 2:56 PM |
| 83 | It would be nice to lure more people to our region for hiking and biking because we have incredible trail systems. | 10/6/2015 2:25 PM |
| 84 | We need to visit crested butte and follow their lead | 10/6/2015 2:12 PM |
| 85 | For the most part I don't mind the lack of signage, it helps help out-of-owners off the trails ;) But it would be nice to have a bit more for safety- to find blue lake above bridal veil for example. | 10/6/2015 2:02 PM |
| 86 | connection without hwy crossing at Lawson | 10/6/2015 1:53 PM |
| 87 | Lets do this! | 10/6/2015 1:48 PM |
| 88 | Other Ski Towns are crushing us as we have very little to offer. I am very open to more intermediate trails. The amount of money that goes from Visitors into Grand Junction and Fruita for biking is off the charts. We have the infrastructure like the Gondola, food and lodging. Money donated from the Town would easily come back to the Town through tax revenue from people using the trails. | 10/6/2015 12:14 PM |
| 89 | Hard to say if I'd support a new tax, without knowing what kind of tax, and if current trails funding might be adequate (both Telluride and SMC have dedicated open space funds already.) | 10/6/2015 9:08 AM |
| 90 | Getting the ski area to understand that trails are a cheap investment. They are 20 years behind and I would argue that they do not have a single beginner trail | 10/6/2015 8:54 AM |
| 91 | Thanks! | 10/5/2015 3:44 PM |
| 92 | Go big | 10/5/2015 12:44 PM |
| 93 | No. You've done well up to now. Preserve the wildness - it is built on ages of geologic activity and biologic evolution. You cannot improve it, only maintain the safety of access. | 10/5/2015 8:37 AM |
| 94 | Telluride appears to be behind other Colorado resort areas in the number of quality maintained multi-use trails. We need more of these trails especially on the south side of town. | 10/4/2015 3:35 PM |
| 95 | Overall, an excellent system. | 10/4/2015 10:11 AM |
| 96 | Get access from Idarado for bridge across San Miguel to E side of Bear Creek. This would lessen crowding at town park entrance and limit Bear Cr road use. Bridal Veil trail will be great also! | 10/2/2015 9:27 PM |
| 97 | Swamp Canyon headwall trail to Island Lake would get more use if improved. | 10/2/2015 4:00 PM |
| 98 | More videos | 10/2/2015 3:42 PM |
| 99 | Let's do it! | 10/2/2015 3:35 PM |

Telluride Regional Trails System Vision Survey

SurveyMonkey

| | | |
|-----|--|--------------------|
| 100 | Connections to silverton Ouray Ophir would be a regional attraction | 10/2/2015 2:22 PM |
| 101 | Make it worthy, and a lot of people will come and spend money and have a great time and we will be loving it! | 10/2/2015 2:10 PM |
| 102 | Buff narrow single track, some more moderate trails & connectors on the Deep Creek side and Village side of the valley. Keep up the great work! | 10/2/2015 1:12 PM |
| 103 | Telluride needs to step up their biking game if they plan on being competitive in the bike tourism market. | 10/2/2015 10:57 AM |
| 104 | never too high and never enough Make TMTA (Telluride Motorless Transit Authority) a real volunteer trail building group | 10/2/2015 9:47 AM |
| 105 | We already have an excellent foundation of trails available, let's make them better and ensure future access. | 10/2/2015 9:34 AM |
| 106 | I applaud your efforts. I hope that we could get all user groups to the table and get a combined effort on the development and management of the trails. I see the separate entities' need for control counter productive. I feel like education on mixed use trails and buy-in by users will be difficult but necessary. For example, changing the attitude of the bikers that ride Sneffles Highline and Whipple despite their wilderness status will be tough but necessary. I hope to see a culture of respect for the trails, trail use limits and a willingness to support mixed trail use. | 10/2/2015 8:59 AM |
| 107 | Keep existing in town # of trails. | 10/1/2015 2:35 PM |
| 108 | There should be more info on web about each trail. Existing private trail guides are not very good or helpful | 10/1/2015 11:54 AM |
| 109 | I would like to see a trail system that works within the confines of our USFS that enables an ability to accommodate many user groups that wish to participate within the USFS locally regardless to "who they are" or "where their from." ALSO: I only answered question #9 & #10 in order to submit this survey. The multiple choice options are far from any of my true opinions. Maybe that's why it's called SurveyMONKEY! Who's the monkey here? | 9/30/2015 10:16 PM |
| 110 | Thanks for asking! | 9/30/2015 11:31 AM |
| 111 | Overall this place is awesome - One of the biggest reasons keeping me here while its very difficult to earn enough income to raise a family here is the reality of being able to get on my bike after work and go for an awesome 1-3 hr ride. I believe it would be wise to develop what is figuratively low hanging fruit to drive tourism during the summer months. The ski mountain should embrace this idea as well since the relative investment is a fraction of what it costs to develop a mountain for ski-use. I would pay money to ride chair 10 with my bike and run laps there all day. The town of Mountain Village should also embrace this, especially with the interest in developing the Meadows area, since that's where everyone riding that would want to park / eat/drink/etc. thanks for setting up this survey! | 9/29/2015 2:19 PM |
| 112 | Eventually, it would be cool to link up with Ouray, Silverton, and Durango to make a really big multi-use system for the western San Juans. | 9/29/2015 10:22 AM |
| 113 | Telluride could be a destination mountain biking town with a little direction. | 9/28/2015 7:38 PM |
| 114 | Thank you! | 9/27/2015 10:00 PM |
| 115 | Connect the high country, and link to a series of huts and cafes | 9/27/2015 1:50 PM |
| 116 | Already a great variety of trails in the area. Like that you are looking at what Ouray does. Printed maps, volunteer opportunities, education and trail tours would all be welcome additions to help make sure our existing trails are being maintained well and used to their fullest. | 9/26/2015 6:29 PM |
| 117 | The parking lot to bridal veil trail is a super important trail to me because it is beautiful in that area and no one gets to see it. | 9/26/2015 7:40 AM |
| 118 | Better connectors, better low grade less challenging terrain, more comprehensive signage and mapping | 9/25/2015 8:47 PM |
| 119 | Let's get building! | 9/25/2015 7:28 PM |
| 120 | Thanks for all you do! We appreciate it! | 9/25/2015 1:25 PM |
| 121 | We are lagging behind every other town on the western slope on trail development, let's get it going soon!!! | 9/25/2015 8:25 AM |

| | | |
|-----|---|--------------------|
| 122 | This is one of the most beautiful places on earth so the trail experience is a gift to mankind to be a path to future generations. Thank you club members for caring | 9/24/2015 10:09 PM |
| 123 | I would love to think that bikes and hikers can share all trails but know that many mountain bikers like to go downhill at a pace that is incompatible for hikers and dogs. I love to hike with my dogs so make some trails for mountain bikes only so that the thrill-seekers can get their thrill and then ride respectfully on shared trails. | 9/24/2015 4:19 PM |
| 124 | I think we have so many wonderful trails here. I honestly don't see the need for more. I hike/run here weekly and can manage to use a different trail every week all summer without repeating trails, so I don't see why we need more, unless it were to be a Perimeter Trail around the town that ultimately connects other trails as well. | 9/24/2015 2:51 PM |
| 125 | Thanks | 9/24/2015 2:18 PM |
| 126 | improve the pump track as this is a great venue for teaching. Also, a connector to other towns (other than a road) would be awesome and attract many new tourists to our area. | 9/24/2015 1:54 PM |
| 127 | There are already plenty of trails of all varieties. Hikers usually spread trails with shortcuts. Trails increase if we do nothing. I'd like to stop this increase. | 9/24/2015 11:36 AM |
| 128 | Go team! | 9/24/2015 9:18 AM |
| 129 | Thanks for all your efforts | 9/24/2015 8:44 AM |
| 130 | I love hiking and biking in Telluride. I feel like the hiking options are pretty amazing. Not sure what I would add. As for biking, I would like to see a few more fun flowing cross country trails that are similar to Prospect Trail. You can only ride Prospect and Mill Creek so many times! | 9/23/2015 10:59 PM |
| 131 | I am currently working with Sunnyside East HOA on a reroute of east end of Rudy's trail. HOA is not ready to make it a public access trail but may swing that way if Sunnyside West, Aldasoro and SMVC get on board to make it a linked rim trail. Could even connect with the gorge trail... Have many more ideas I've been riding, hiking and skiing the regions trails for 40 years. As a region we are WAY behind the curve on a cohesive trail system. | 9/23/2015 10:07 PM |
| 132 | Not in favor of tax to support super posh Telluride valley /mtn village system with fancy signs, but rather work to make existing rustic stuff bikeable. | 9/23/2015 9:15 PM |
| 133 | The mountain bike hiker interface is hard on the hikers A couple more dedicated hiking trails would be great | 9/23/2015 6:09 PM |
| 134 | Would love more trails and better signage! | 9/23/2015 4:58 PM |
| 135 | allow leashed dogs on valley floor | 9/23/2015 2:07 PM |
| 136 | Start an Over The Hill Gang of Retired/Older individuals to work two half days per week on trails. Use Prescott Az and PNF as a model. | 9/23/2015 1:10 PM |
| 137 | The most beautiful place on earth. | 9/23/2015 12:43 PM |
| 138 | you don't have to make snow to mtn.bike! | 9/23/2015 12:35 PM |
| 139 | We need to do everything we can to preserve this wonderful resource in our region. | 9/23/2015 12:09 PM |
| 140 | Again, leave it alone as much as humanly possible ... "improvements" are a slippery slope which incrementally gain traction over time; with each tier or burst of "development" (while perhaps well intentioned) provides a foothold for future interests to inject their own special interests. Looking to the future: it won't be long before "silent motors" for yet to be developed methods of transport will allow greater inroads by more people ... perhaps in a commercialized fashion ... possibly wreaking havoc on the trail system & users who don't embrace newer technologies. It would be great to get ahead of the curve on this. | 9/23/2015 11:37 AM |
| 141 | More trails for less advanced hikers | 9/23/2015 11:34 AM |
| 142 | Although I use the trails and support any initiative to keep them nice, I'm not sure this is a huge priority for me. However, I do use the trails and donate to the Nordic ski trails. | 9/23/2015 11:23 AM |
| 143 | Mtn biking around here is very limited for beginner and intermediate riders. Need to expand this to get people on this awesome terrain! | 9/23/2015 11:19 AM |
| 144 | Again, TMVOA would also be a good source for supporting this. As TMVOA counsel, I have encouraged the Board to make MB trails a top priority, which it has done, but, it needs an applicant, with vision and a plan, to approach the Board for funding. | 9/23/2015 11:15 AM |

| | | |
|-----|---|--------------------|
| 145 | Maybe TMVOA should consider being involved more. They seem to complain about not getting enough people in the core. IMO they need more activities on the mountain, and I bet mountain bike friendly attitude would go a long way (and maybe some parking). Seems pretty easy when you consider what has already done at other ski areas. | 9/23/2015 9:54 AM |
| 146 | More on-mountain trails in the summer = 'ski/bike' patrollers are employed year around. Run chair 4 and lift ops are employed year around. Introductory flow trails on the mountain good for kids and beginners. Signage in Alta lakes and stacked loops so people can get back to Prospect basin and don't have to go to highway or ride t35 or get lost in ski ranches or end up in skyline. Improvements to galloping goose so that boot doctors can get their slow moving van off the highway and keep their clients on the trail. Bike and hike specific trails on Valley floor from shell spur to Doka to keep the super rad hard core riders or so they think away from running over dogs, strollers etc...Adopt the trail system in Ophir valley, I live there, other locals would be pissed off but a great place to introduce riders to the valley. Bike only descent on wiebe after waterline connector. Please always keep in mind grades, width and benching for off-road handcycles. Crested Butte and Moab are purpose building all trails wider than traditional 18-inches to accomodate passing bikes head on, sight lines, and off road hand bikes. I work for TASP and do a lot of trail consultation in Moab with Trail Mix, please contact me at work if you want to discuss more. | 9/23/2015 9:54 AM |
| 147 | Don't tell anyone! | 9/23/2015 9:47 AM |
| 148 | Thankful for the Telluride Mountain Club! Would love to hear more communication on ways to support the club! | 9/23/2015 9:15 AM |
| 149 | There are so many trails in the area that most never get used. There are a few trails that seem to get all the use. I avoid those. I think that all the effort should be used for the few trails that are used most and leave the other to people that want to get away from the crowds. | 9/23/2015 8:40 AM |
| 150 | We're pretty lucky having the trails we do. | 9/23/2015 7:09 AM |
| 151 | Thanks for seeking input! | 9/23/2015 6:50 AM |
| 152 | succinct reporting of location is best accomplished by US National Grid example: 13S BC 5190 0223 map link to example: http://www.mappingsupport.com/p/gmap4.php?usng=13S_BC_5190_0223&tilt=off&z=19&t=h | 9/23/2015 6:44 AM |
| 153 | Thanks for requesting our input. I have been a summer only visitor to Telluride for 25 years. | 9/22/2015 10:45 PM |
| 154 | For a "popular" mountain town andshiking destination, our lack of signage is a joke. It might keep impacts lower, but if I were a visitor, I'd be pissed! | 9/22/2015 8:38 PM |
| 155 | Great work; thanks!! | 9/22/2015 4:28 PM |
| 156 | More trails every where for biking and hiking. | 9/22/2015 3:13 PM |
| 157 | I helped design/build Phil's World and currently same in Ridgway. Would love to help participate in planning process. Keep smiling and let's get outside!!! | 9/22/2015 2:52 PM |
| 158 | There is so much potential | 9/22/2015 2:36 PM |
| 159 | I think we have wonderful trails that allow people to get out and enjoy nature. Slow improvement and additions over time to allow access to more areas would be my recommendation. | 9/22/2015 2:21 PM |
| 160 | The telluride region is missing out on a large demographic because of its mediocre approach to mountain biking. | 9/22/2015 1:42 PM |
| 161 | Better parking and bathrooms at trailheads. | 9/22/2015 12:46 PM |
| 162 | This is an exciting time for trials in the Telluride Region. The work being done by TMC and SMBA will pay dividends. This survey is a great example of current planning efforts. | 9/22/2015 11:24 AM |
| 163 | thanks for doing this survey! | 9/22/2015 9:53 AM |
| 164 | Get the word out about rides. Create riding groups for safety and orientation. | 9/22/2015 9:48 AM |
| 165 | i like trails. | 9/22/2015 9:42 AM |
| 166 | I hope we can take a look and see the need to expand this mountain into a destination not only in the winter but the summer for biking. Look at our world class terrain we have. Why does winter get all the love? | 9/22/2015 9:41 AM |
| 167 | Keep on staying focused on this. | 9/22/2015 9:41 AM |

| | | |
|-----|---|-------------------|
| 168 | N/A | 9/22/2015 9:36 AM |
| 169 | valley floor should have all types of trails on there in the summer like the cross country skiing in the winter | 9/22/2015 9:05 AM |
| 170 | More moderates! | 9/22/2015 9:00 AM |
| 171 | Use Ouray as an example. http://ouraytrails.org/ With 2,500 + people per month accessing the Mtn Club website for info regarding the via ferrata and a lot of those people using the via ferrata, could that volume of people/audience be tapped to contribute \$ and/or become members/supporters? | 9/22/2015 8:56 AM |
